## Friday 3rd July 2020

Dear Parents and Carers,

Today we say goodbye to our wonderful Year 6. They have had an unusual final few weeks at primary school in their 'bubble'. This morning we enjoyed their 'virtual' Leavers Assembly, thank you to everyone who dialled in to join us. It was lovely to see the children speaking with such confidence and sharing such special memories.

The staff and I would all like to say a HUGE thank you to the Year 6 children for their positive and enthusiastic approach to school life. We will miss you all!

### FAREWELL BUT NOT GOODBYE

Today we also say farewell to our pre-school, Reception and Year 1 children. The teachers will continue to set online learning for these children until the official end of term on Friday 17th July. These children have all done extremely well coping with new systems and routines!

We are delighted that we will see most of the other children before the end of term. Please do ensure you have briefed your children about the routines especially around drop off and pick up.

### RASPBERRY FLAPJACK

We have had a bumper harvest of raspberries this year in the school nature garden. The Key Worker bubble harvested the first batch to make raspberry flapjack which was delicious.

The Year 1 bubble completed a second harvest and had a very tasty treat!

### PARENT PAY

From September, the school will be introducing Parent Pay and striving to become a cashless school. More details to follow.

Have a lovely weekend.

Mrs Alex Waterman
