### #22 CREATIVE WRITING PROMPT

Use the picture to write a story which starts like this: *My pet is rather strange...*

*My pet is rather strange...* he came from an outer world one night. At first we thought he was an ordinary goat, but he had suspicious eyes.

His horns glowed like the glimmering light of the sun every time he floated in the air.

I loved my new pet. But not everyone did mum said he was creepy, my sister said he was smelly and dad said he stared at him weird.

We have a kennel at the end of the garden where he sleeps, it's not very big, but it has a soft cushion for him to lie on. We even found some bowls for water and food, were feeding him dog biscuits cause he seems to really like them, so he's probably not a goat.

When I cuddle him he makes a funny noise, like two cats fighting but not as loud.

I guess he will have to go back to his own world one day but for now he's my very best friend.
