Week beginning Monday 9th January - All after school clubs are on as normal - Thank you.

Message from Miss Furnish

Dear Parent/Carer, This week I have spent time visiting every class and worked in Class 6 and Class 3. As always, I have been pleased to see the children return from their break well rested and ready for the next half term of learning. I have begun teaching maths with Miss Sargent morning and as such, should you wish to talk with me in the morning, I am only available until May from 8.15-8.45am as from 8.45am I am committed to supporting the Year 6 children with their learning. I am of course available throughout the day or at the end of the day. Finally, I wish you all a healthy and happy New Year and look forward to continuing to work with you in 2017.

After School Clubs

Places have started to be allocated today. Some clubs are very popular and spaces are now limited. For those who have already applied, a text to parents has been sent today confirming whether your child has a place. Confirmation tickets and payment cards will be sent home on Monday.

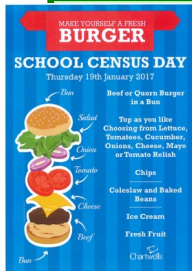

Reminders

PE Kits

Please can these be named and in school every day, including suitable footwear (trainers or plimsolls). Many sporting events take place throughout week. Thank you.

Message from Chartwells

Permanent change to menu for Week 1 on Tuesdays. Bread and butter pudding is no more, this will be replaced with pineapple upside down cake. Also, on **Thursday 19th January, School Census Day** A special fun menu has been arranged for this day. Build a burger day, Cost £2.30, bookable on the day.
