

## Autumn 1 Project Homework Class 1 and 2

This half term we shall be studying 'Superheroes'. Below are a range of activities linked to our topic. You can decide whether, over this half term, you would like to focus on one area and complete all of the tasks linked to it or select a variety of tasks from different topic headings. We encourage you to complete as many as you feel you would like and look forward to sharing your work in class assembly.

The family workshop this term will take place next half term for the next homework topic.

We will be learning about this topic for 6 weeks. You will have the first half-term to complete these tasks and therefore would expect you to bring in no less than 4 pieces of work. These may come in at any point during the half-term but no later than Wednesday 16<sup>th</sup> October 2019. This can be done independently or as a family. Enjoy!
