

Week beginning Monday 30th October - Only Football, Dance and Sports Club are running - Thank you.

Message from Miss Furnish

Dear Parent/Carer

I can't believe one half term is now behind us and a very busy half term it has been. It was lovely to see so many of you join us today for our Harvest celebration and, on behalf of our community, I would like to thank you for your kind donations. I hope the children have a restful half term and I look forward to welcoming them back ready to learn and contribute positively to their class and school. Finally, I would like to thank you for your continued support. Fingers crossed for some dry days over the break.

Reminder

After School Clubs

For the week beginning 30th October, the only clubs that we be running will be those run by external providers.

Football on Monday
Dance on Thursday
and Sports Club on Friday.

All other clubs will recommence Monday 6th November.

Thank you

Class News spot-Year 4

By Oriol Randos

Year 4 have been very busy trying to create their own water cycle systems. You can see these from the playground as they are displayed in our class window. They were quite easy to make. First we had to draw in black pen the pictures relating to

condensation, precipitation and evaporation on our bag and, when we finished the images, Mrs Winson poured the special water in and sealed our bags. Mrs Roberts put them in the window and we are monitoring our bags to see how quickly the water will evaporate.

Sporting News

Badminton Event
By Megan and Hannah (Year 5)

On Wednesday 18th October, both of us, along with some other children from Year 5 and 6 went to

Camborne School and International Academy to take part in a Badminton Qualifier Event. Unfortunately, we didn't qualify but we all tried our hardest and gave it a good go. We all enjoyed playing badminton and would like to do it again.

Parent Volunteers

As part of our continued efforts to raise the standard of literacy at Weeth, we are hoping to encourage some parents to come in and help with reading. Reading regularly to an adult has been shown to significantly increase the rate of progress that children can make with reading.

This would involve listening to children read individually and talking about the book they are reading. Ideally we would like you to come in at least once a week (although twice a week would be great) and I will provide an initial training session to demonstrate what a typical reading session with a child would look like.

If you are interested in helping, please let Mrs Taylor know in the office. Please be aware that in line with our safeguarding policy, we would have to carry out the required safeguarding checks.

Harvest Assembly

A big thank you to everyone for their donations for the foodbank and for attending the Harvest Assembly. We appreciate your support with events like these.

Half term Homework

All children have a half-term homework sheet. This is a chance to earn house points and be entered into a prize draw to win a £50 voucher! Copies of task sheets can also be found on the class pages of the school website.

Watch out for the first newsletter after half term as it will have the confirmed list of all the Christmas events.

Competition

Design an E-Safety Poster

Weeth School wants you to design an E-Safety Poster which will remind everyone how to be smart and safe whilst using the Internet.

Your poster must:

- Be bright and colourful
- Carry a special message about keeping safe on the Internet

The winning entry will receive a **£15 Amazon Voucher and 300 house points** and have their design published on the school website.

All entries must include your name and class. Entries must be handed to Mrs Tamblin by Friday 3rd November 2017.
