*construct pictograms, tally chart and block graphs and answer questions about them.

*Recognise, find, name and write fractions and of a length, shape, set of objects or quantity.

Dear families,

Welcome back after the Christmas break. This term the context of our learning is 'animals'. We will be looking at the animals that live in different continents and comparing how they are adapted to their habitats.

English

We will be basing our learning around the story of 'Handa's Surprise'.

We will be learning to:

*identify different sentence types and how to use them in our writing.

*use a range of punctuation to make our stories exciting for the reader (? , !).

*Create newspaper reports.

Geography

We will be learning:

- *To name the four countries and capital cities of the UK.
- *To name characteristics of the four countries of the UK
- *To identify locations on maps and features from an aerial view.

Science and DT

We will be learning:

- *To identify what animals and humans need to stay alive.
- *The lifecycles of animals and human and how they change.
- *How humans can stay healthy through learning about food groups, exercise and hygiene.

History

We will be learning:

- *About how animals have been used in the past in the circus.
- *How conservation has developed over the years and the importance of conservation today.

Computing

We will be learning how to compare and evaluate photographs. We will look at photos that have a technical purpose and those that are for artistic purposes and be taking our own photos.

RE

We will be learning:

- *To identify different occasions that people celebrate.
- *About the festival of Passover.
- *About why Christians celebrate Easter.

PE and PSHE

We will be learning about different styles of dance.

We will be learning about individual rights and the importance of respect the rights of others.

Art and Music

We will be looking at how to use different materials to create artwork including clay to create models.
