### Message from Miss Furnish

I would like to share with you some wonderful news regarding one of our members of staff. Mrs Wright, our Special Educational Needs and Disability Leader, gained her Masters in Education. She was also chosen to receive an additional award entitled the 'Nico Bruin Award'. The award is given each year by Plymouth University to one professional for an assignment or dissertation that is 1. Considered to be an imaginative/creative piece of work and 2. Is deemed as making a difference to educational practice. Our congratulations go to Mrs Wright on her double achievement. I wish you all a relaxing weekend and look forward to welcoming the children back on Monday.

### RED CAP TRAINING

Yesterday, some year 5 children, who have been selected as 'red caps', attended their first training session at CSIA.

At the beginning, we all got into mixed groups with children from other schools so that we could make new friends. The purpose of this activity was to generate ways to get children into groups. We also had the opportunity to get on the stage and use these strategies on everyone else! My favourite activity was the alphabetical order game (Ruby).

There are two more sessions coming up and we can't wait to go again!

### School Uniform

It has been noticed over the last week that a number of children are not wearing the required school uniform. Trainers, unless plain black, are not permitted and we therefore kindly ask that you ensure your child attends school in the appropriate footwear.

Pupils with long hair are also required to wear their hair up. This is not only because of health and safety but also due to head lice.

Thank you.

### Absence in Term Time

Please remember that the school is unable to authorise holidays during term time unless there are 'exceptional' circumstances. If you are intending to take your child out of school during the term we ask that you complete an absence request form from the main office. Each application will be presented to a panel of governors and a decision made as to whether the time will be authorised.

We also ask that if possible that medical appointments are made out of the school day. Thank you.
