Where we dream, explore and achieve.

19 March 2020

Dear Parent / Guardian,

Due to the recent announcement from the Prime Minister, Boris Johnson that all UK schools must close due to the spread of Coronavirus, we are writing to officially notify you of Weeth School closure.

This is an extremely difficult situation which impacts us all, but we believe that the closure of schools is necessary to ensure the safety, health and wellbeing of everyone and prevent further spread of the virus.

The Prime Minister has advised that children should not be left with older grandparents or older relatives who may be particularly vulnerable to the Coronavirus.

Vulnerable children and children of key workers will continue to be able to come into school as normal. As soon as we know the precise criteria of 'key workers' and vulnerable children we will write to you again.

Our staff have been working hard behind the scenes to devise learning plans to ensure that your child still has the opportunity to continue learning at home

If you have any questions or concerns during the closure, please communicate with us via secretary@weeth.cornwall.sch.uk.

As soon as we have an official date to re-open, we will communicate this with you via email and the school website.

Until then, we would like to offer our very best wishes and hope that anybody affected by this unprecedented virus makes a speedy recovery.

Yours Sincerely,

Miss C Sargent
