**13 May 2021**

Dear Parents/Carers

You will be aware that from 17<sup>th</sup> May, the Government will commence Step 3 of the roadmap out of lockdown.

In school, we will continue to wear our masks in confined areas and when greeting you at the door during drop off and collection times. We would be grateful if you continued to wear a mask whilst on the premises. 'The Government continues to recommend that face coverings should be worn by staff and visitors in situations outside of classrooms where social distancing is not possible'.

We are really looking forward to offering our other extra-curricular activities however the guidance states that 'it remains important to continue to minimise mixing between children, where possible' and 'to continue to keep children in consistent groups every time they attend the setting'. This guidance makes it very difficult for us to manage the numbers of children who may wish to attend an extra-curricular club without mixing bubbles. It would not seem fair to offer clubs to some children and not others at this time.

Wraparound provision of breakfast and after-school clubs will continue to operate as they are now.

Over the last year, our educational over-night visits were cancelled by venue providers. The good news is that educational *day* visits can resume providing risk assessments are in place and protective measures have been considered. Outdoor activities provide a high degree of assurance. Teachers will be in touch with dates and venues very soon.

Whilst there is a relatively small risk of catching Covid-19, we remain alert to the possibility of another wave and we thank you for your support and understanding.

*Charlene Sargent*
