09 December 2020

Dear Parent/Carers

School now closing for Christmas on Thursday 17th December – usual collection time.

The government issued guidance to schools yesterday afternoon advising we close for Christmas on **Thursday 17th December**.

This is because the government would like to make sure that school staff don't have to do track and trace work on Christmas eve.

Closing a day early will also reduce the risk of families having to self-isolate over the Christmas period.

We apologise for the short notice, we would normally give parents plenty of notice for a school closure, but like many things in 2020, this isn't normal.

If your child (or a member of staff) has symptoms within 48 hours of our closure on Thursday evening (before 5pm on Saturday 19th December), please let me know immediately by email head@weeth.cornwall.sch.uk and get a test. If I need to ask a class bubble to self-isolate in the event of a positive case in school, I will make contact with you through text message and email with next step instructions.

Please do not bring your child back to school at the end of the holiday if they or someone in your household has symptoms – temperature, continuous cough, loss/change of taste/smell. Again, please let us know in the lead up to our return to school on Monday 4th January 2021.

Thank you in advance for your support and understanding.

Best wishes,

Miss C Sargent

Headteacher.
