Wla,

My husband, Robert, found the
from your balloon in Salisbury at
weekend.

Salisbury is 68 miles away from Spaxton
travelled quite far.

I liked your message, yes, we did have
a nice time in Salisbury. We are from
Salisbury but were spending some time in
Salisbury in our caravan, luckily the
weather was sunny, I think that's why
the balloon travelled so far.

We enclosed some stickers for you.
I used to work in the Dental Clinic
at Fредgwater Hospital, I always used
to give my patients stickers 😊
