"Learning that lasts a lifetime"

Newsletter

Welcome back to what we hope will be a sunny Summer Term. A special welcome goes to Carolyn Bray, the new temporary teacher in Little Fish class. Carolyn brings a wealth of experience to KS1 and we know the children will have a great time learning with her. Parents of children in Little Fish can pop in to discuss any concerns with Mrs Bray or Mrs Horwell at any time after school.

Staff and pupils have hit the ground running but Mr Gynn is going that extra mile or should I say 26 miles? He's bravely tackling the London Marathon next weekend in aid of Little Harbour. We'd like to show our support so are holding a non-uniform day and bake sale next Friday. We hope you will give generously for a very worthy cause.

STEM week—We are organising a week of inspirational STEM (Science, Technology, Engineering and Maths) activities in June. If any of you (parents, carers, grandparents etc.) have any STEM expertise, which you would like to share with the children please speak to Mr Daysh. Whether you want to spend 10 minutes telling the children about your STEM-related career or a whole day leading interactive activities, we would love to hear from you.

Attention to Year 1 parents! Mrs Horwell will be holding a meeting to inform you of the phonics screening check that all Year 1 pupils must take in June. This will be held in Little Fish classroom straight after school on Tuesday 19th April. Many thanks.

Friday 22nd April will be a non-uniform day as we will be raising money for Children's Hospice South West, Little Harbour. We are holding a bake sale, (all on sale will be 20p) and are asking for ad onation of £1 for this worthy charity. Mr Gynn will be running the London Marathon on Sunday 24th April for the same charity as Little Harbour is just across the road from Porthpean Camp and he has spent a great deal of time running past it on his training runs.
