

## Easter Home Learning-Gribbin Class

Please choose one or more learning activities from this grid to do with your child during the Easter Hols. Any photos or video clips can be uploaded onto tapestry, this would be appreciated and a great addition to your child's learning journey.

Keep a diary recording the things your family do over the Easter holidays.

Try making a sweet treat to share with your family.

Try making an alternative healthy treat to share with your family.

Try making a model basket to hold Easter treats.

Make a model of the Easter bunny.

Easter starts with 'e', what other words can you think of that start with that letter.

Can you make up a song about your holidays and sing to the class on the first day back.

Draw or paint an Easter picture.
