Chair of Standards, Teaching and Learning Committee:

<u>All pupils must follow the rules in this agreement when using school computers, tablets and laptops.</u>

Pupils that do not follow these rules may find:

- They are not allowed to use the computers,
- They can only use the computers if they are more closely watched.

Their teachers will show pupils how to use the computers.

This is how we stay safe when we use computers:

- I will use the school computers with support from my teacher.
- I will only use activities that a teacher or suitable adult has told or allowed me to use..
- I will take care of the computer and other equipment.
- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong.
- I will tell a teacher or suitable adult if I see something that upsets me on the screen.
- I know that if I break the rules I might not be allowed to use a computer.
