Review Date: July 2018

Chair of Governors:

The Government expects:

- Schools and local authorities to:
 - promote good attendance and reduce absence, including persistent absence;
 - ensure every pupil has access to full-time education to which they are entitled; and,
 - act early to address patterns of absence.
- Parents to perform their legal duty by ensuring their children of compulsory school age, who are registered at school, attend regularly.
- All pupils to be punctual to their lessons.

To enable children to achieve all they are capable of, it is essential that they attend regularly and punctually.

All schools are expected to achieve an overall rate of **95% or above** attendance. Our school attendance target this year is 96%. Attendance is categorised into:

- **Green (95% or above). Green is satisfactory**
- **Amber (between 93% -94.9%. Amber is a cause for concern**
- **Red (less than 92.9%). Red is unsatisfactory**

It is the responsibility of all school staff to be welcoming to children and their parents, creating an atmosphere where they both feel able to raise concerns and share any information that could affect children's attendance. Due regard will be given to the fact that a register is a legal document and, taking this into account, registers will be taken regularly and conscientiously at the beginning of both the morning and afternoon sessions. It is important that all children arrive at school punctually. If a child is late, s/he should report to the school office to be marked in and ensure that in case of emergency the school has an accurate head count. It is most important that parents discuss any problem with either the class teacher or the Headteacher so that appropriate help can be offered. Equally, if a child needs to leave school for a medical appointment during school hours s/he must be signed out, and in again on return, at the office. Parents/carers are asked to make every possible effort to make appointments out of school hours.

If a child is absent for the day, the school expects parents/carers to make contact as early as possible, giving the reason for the absence and the expected day of return. School starts at 8.45am and the register closes at 9am after which time a child is marked late. If no word is received from the parent/carer by 9.15am the school will contact the parent/carer on that day. The school follows up absences where no reasons are given. If the reasons for these absences remain unspecified they will be classed as unauthorised. **The local authority recommends that, unless there is prior agreement or good reason, should a pupil arrive more than half an hour late after the registration closes, this should be an unauthorised absence (U).**

It is the parents' legal responsibility to ensure their child's good school attendance and punctuality. In order to keep parents/carers informed and to promote positive attendance, we issue termly attendance letters in line with our graded attendance 'red', 'amber' or 'green' (see letters in appendix 1). If the situation does not improve the school will consider a referral to the Education Welfare Service. Should a child's attendance/punctuality still not improve, the parent/carer could be prosecuted under the 1996 Education Act. Alternatively an Education Supervision Order could be sought in the family proceedings court under the 1989 Children Act. Please note 10 unauthorised absences (5 school days) in 10 weeks will result in a referral to the Pupil Entitlement: Investigation team who may issue a Fixed Penalty Notice.

The Education (Penalty Notices) (England) Regulations 2007 and Education (Pupil Registration) (England) Regulations 2006

Amendments to the 2006 regulations remove references to family holiday and extended leave as well as the statutory threshold of ten school days. The amendments make clear that Headteachers may not grant **any** leave of absence during term time unless there are exceptional circumstances. If the

leave is granted, they should determine the number of school days a child can be away from school. Examples of this would be:

- an organised educational course
- an organised sports competition or approved public performance
- a music or dance exam
- funeral of an immediate relative – 2 days
- religious observation on days officially set apart by the religious body to which the parents belong – 1 day
- close family wedding – 1 day
- medical appointments which cannot be arranged outside the school day.

A form obtained from the school office must be completed when withdrawal from learning is being requested (appendix 2). A meeting with the Headteacher must be arranged prior to completing and submitting the form. It is expected that the request is made 4 weeks before the absence and the Headteacher will respond in 5 working days, indicating whether or not the absence has been authorised. Should the absence be unauthorised, a letter will be sent home (appendix 3) making the parent aware that should the absence go ahead as planned then this will be passed on to the Pupil Entitlement: Investigation team, resulting in a Fixed Penalty Notice (see below)

Fixed Penalty Notice

Parents/carers should be aware that STARS Network of Schools will follow the West Sussex County Council guidelines on issuing Fixed Penalty Notices (FPN) and unauthorised absence of 10 sessions or more (each half day counts as one session) which could result in the issuing of a Fixed Penalty Notice (FPN) by the County Pupil Entitlement: Investigation team.. **On DfE guidance, any unauthorised holidays of five consecutive days or more will be referred to the County resulting in the issuing of a FPN.**

A Fixed Penalty Notice gives the parents/carers the opportunity to discharge themselves of their legal responsibility if a £120 fine is paid (per adult with parental responsibility for each child) within 28 days or £60 if paid within 21 days of the date the Notice was issued. Failure to pay the FPN may result in a prosecution under Section 444 of the Education Act 1996. Parents/carers who are prosecuted for the non-payment of an FPN will receive a criminal record unless evidence is provided to show that no offence has been committed.

In exceptional circumstances a pupil may be granted authorised leave (see above). However, regardless of whether the absence is authorised or unauthorised, if after ten days the pupil fails to return and no contact can be made with the parents/carers, the school will make a referral to Pupil Entitlement: Investigation who will make reasonable enquiries and consult with the Child Missing Education Team (CME). If the school can make contact with the parents/carers, it will warn them, if possible in writing, that it will consider taking the pupil off roll if s/he does not return by an agreed date. If the pupil does not return within 20 days and no reasonable explanation is given, the school will consult with CME and, in line with DfE guidance, consider taking the pupil off roll. If taken off roll, parents/carers would need to reapply for a place through West Sussex County Council Admissions (North) on their return. A place cannot be guaranteed at the current school.

Genuine illness will be authorised, although the school reserves the right to ask for medical clarification if a child's medical absences are above the amount expected for a usually healthy child. If it has been necessary for a child to have extended absence due to illness, the school will work with the child, parents/carers and any other involved agencies to instigate a re-integration programme for that child.

STARS Network of Schools provide a broad, balanced curriculum, but for children to access the many opportunities that are provided, it is necessary for them to attend school regularly and punctually.

Appendix 1

Dear Parents/Carers,

Red Attendance Letter xxx Term

The Government collects data from schools on every child's attendance three times a year. The DfE expect all schools to set themselves challenging and ambitious objectives to reduce absence. Our school target is 96%.

Further to our meeting on xxxxxxxxxxxxxxxxxxxxxx in line with our school Attendance Policy, this letter is to inform you of «forename»'s attendance so far this academic year. . Attendance is categorised into:

- Green (95% or above). Green is satisfactory
- Amber (between 90% and 94.9%. Amber is a cause for concern
- Red (less than 90%). Red is unsatisfactory

Since the start of the academic year 2017-2018 (07.09.17), «forename» has achieved «percentage_attendance»%. **This is classed as unsatisfactory.**

Research shows that children with good attendance make better progress in school. It is difficult for young children to learn when they miss lessons and it can make friendships difficult too.

We do recognise that young children do become ill; particularly when they first start school. In some cases children suffer from chronic conditions. Please inform us if your child has a medical condition that you have been advised will affect their attendance at school.

Remember to phone the school office before 9am to let us know if your child is ill. Please also note, the local authority recommends that, unless there is prior agreement or good reason, should a pupil arrive more than half an hour late after the registration closes, this should be an unauthorised absence (U). 10 unauthorised absences (5 school days) in a 10 week period will result in a referral to the Pupil Entitlement: Investigation team who may impose a Fixed Penalty notice fine. The same applies to absence due to holiday for the same period of time.

Please contact me if you would like to discuss your child's attendance further.

Yours sincerely

Mrs S. Norton

Dear,

Request of absence in School Time:

Thank you for your recent application requesting a period of absence in school time for
.....

As a result of the change in legislation regarding holidays in term time, I am unable to authorise your request for this absence. Therefore, if the holiday takes place as planned and will be equivalent to 10 school sessions or more, I will have no alternative but to pass the matter to the Pupil Entitlement Investigation team, who will issue a Fixed Penalty Notice. I am enclosing a copy of the guide to Fixed Penalty Notices for your information and if you have any questions at all, please do not hesitate to contact me.

If.....is absent from school betweenand, this will be recorded as an unauthorised period of absence on his/her school record.

Yours sincerely

Headteacher

Can I appeal?

There is no statutory right of appeal once a Notice has been issued.

Can I be prosecuted if I pay the Fixed Penalty Notice?

You cannot be prosecuted for the period of absence identified in the Fixed Penalty Notice. You may subsequently be prosecuted for further periods of unauthorised absence from school. Each case is considered on an individual basis.

**** REMEMBER ****

For absences other than unauthorised holidays in term time School staff would much rather work with parents/carers to resolve poor attendance than resort to enforcement actions like Fixed Penalty Notices or Court

A BRIEF GUIDE TO

Fixed Penalty Notices

Sections 444 Education Act 1996

Anti-Social Behaviour Act 2003

Crime and Disorder Act 1998

This leaflet offers you a brief summary about the Fixed Penalty Notice (FPN) scheme and what it could mean for you.

What is a FPN?

It is a fine given for unauthorised absence from school, rather than the matter being brought before the courts. It is issued per parent, per child. Please note **only** a Head Teacher can authorise absence from school.

Who issues them?

In West Sussex the Local Authority issues them through the Pupil Entitlement: Investigation

When are they used?

When a pupil has a minimum of 10 school sessions recorded as unauthorised in a 10 school week period; a school day is two sessions AM and PM.

This includes; any absence marked in the register as unauthorised.

Persistent late arrival at school after the register has been taken and is recorded as an unauthorised absence.

A holiday in term time which has not been authorised by the Head Teacher. The Government has directed Head Teachers may only grant leave for a holiday in exceptional circumstances.

FPNs can also be used during the first 5 days of exclusion. Parents are made aware of the consequences by letter when a child is excluded from school.

Please note

If the school refers a period of absence that is longer than 15 consecutive school days; Pupil Entitlement: Investigation may consider a FPN is not appropriate.

In these instances the matter may instead be brought directly before the Courts.

How much is the FPN?

The FPN is for £120 and 28 days are given for you to settle the Penalty.

If the FPN is paid within the first 21 days the amount payable is reduced to £60.

How do I pay?

The information on how to pay is included on the FPN. Payment cannot be made in part or by instalments.

What happens if I don't pay?

If you don't pay within the 28 days the Authority will consider instigating a prosecution in the Magistrates Court for the offence of poor school attendance. If proven this could result in a fine of up to £1000 per parent per child and/or a parenting order or a community service order and also costs.
