

The aim of this homework is to build upon the skills that are your strengths and also to improve those areas where you may feel less confident.

We are not suggesting doing all these jobs. We would suggest 1 English and Maths a week and then choose 3 topic choices over the half term.

Multiple Intelligences		Easiest			Hardest
English I enjoy reading, writing & speaking	Reading	Read your book to an adult 5 times in a week and get it signed each time.	Choose a non-fiction book about animals and read it. Record five facts you have learnt.	Choose a book by a famous author and read it. Tell us what you think of the book.	Research a rainforest animal and write a fact file about it.
	Handwriting and Writing	Write 'who am I?' clues for something you would find in the rainforest.	Write a poem about the rainforest and write it up in your best handwriting.	Write an acrostic poem for a rainforest animal.	Research an explorer and write an account of what they found.
	Phonics and Spelling	Use rainbow writing for practising 10 of the Year 4 key words.	Find and write down three words that start with each of the prefixes - re, sub, inter and super	Find the definition for the four layers of the rainforest and write them down.	Write a story about a rainforest animal using at least 5 Year Four key words and underline them.
Mathematical- I enjoy working with numbers & science		Practise the times tables you need to learn to move onto the next country.	Complete this week's My Maths activity set.	Create your own two step word problems using addition and subtraction based on the rainforest.	Choose a word problem from the box and complete it. Remember to show your working.
Family Learning Projects: Visual I enjoy painting, drawing & visualising		On a world map shade in where rainforests are found and label them.	Draw and label a creature found in the rainforest. Explain how it is adapted to its habitat.	Design a new animal or plant that has been specially adapted to live high up in the rainforest. What special features does it have?	Make a 3D model of an animal that lives in the rainforest.
Family Learning Projects: Kinaesthetic I enjoy doing hands-on activities		Find out what you can recycle at home and draw a poster highlighting the importance of recycling.	Go on a walk through the woods. Use your senses to describe what you saw, heard, smelt and how you felt.	Create your own recipe for a salad and make it.	Make a 3D rainforest.
Musical I enjoy making & Listening to music		Write a film review of a film based in the rainforest.	Create a piece of music inspired by the rainforest and perform to the class.	Create an instrument that makes noises you would hear in a rainforest.	Using a piece of digital music software create some music to go with pictures of the rainforest.
