Tuesday 4th June 2019

Water bottles and hats

It is that time of year where the weather is either gloriously hot or miserable and wet! We do ask that all children have a hat and a water bottle in school to keep hydrated and to reduce the risk of heat stroke. We encourage the children to drink regularly and they can access water at any point of the day. We encourage water rather than squash or juice as it is not sticky when spilt and doesn't have a sugar content which can feed bacteria. Younger children are particularly at risk to overheating as they are not fully able to regulate their own body temperatures and can become hot and bothered easily.

Reports

Staff are in the process of writing the children's end of year reports. This will include their teacher assessment of the children's academic year and information of any statutory tests such as phonic screening for year 1s and SATs information for year 2 and 6.

Family First service

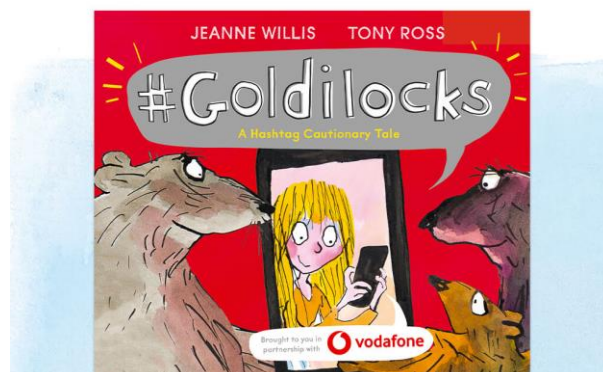

Reminder - that there is no Family First service this week.

Non-school uniform day

Wednesday 5th June is non-school uniform day for a tombola prize for the PTFA. If this has slipped your attention and you would like to bring a prize in on Monday 10th June then that is fine.

Safeguarding Update

Goldilocks: A fairytale for the digital age

Talking to your children at an early age about how to use social media responsibly can be challenging. To support parents with this, Vodafone have produced a new version of Goldilocks, written by Jeanne Willis and illustrated by Tony Ross.

'The book is a modern twist on the classic fairy tale and offers a fun and accessible way for parents to discuss responsible social media use with their younger children.'

It can be downloaded for free
