Thoughts of a Headteacher

Welcome back to all of our community for a short but busy Spring 2! We hope you have had a good half term holiday...

As we approach Easter, this is an important half term, as the children will look to consolidate their learning from the first half of the year and build upon their successes in the run up to the Summer Term. We will have Parent Consultation appointments during the last week of the term, in which you will receive a progress report. Please look out for appointment sign-up sheets on classroom doors.

We had a 'Protect' Wow last week to launch our new value for the half term and with World Book Day and Sports Relief coming up, this makes for an action packed five weeks.

You never know, the weather become warmer too!

Safeguarding Update

It has been pointed out to us that there are children being transported to school in cars that exceed the number of seats in the vehicle. This is in addition to bikes being ridden dangerously and/or without helmets. Whilst we have no clear jurisdiction as a school, we obviously care about the welfare of our children and wanted to use the newsletter as a reminder to all about road and car safety.

Many thanks in advance

World Book Day - Thursday 1st March

This year's World Book Day will be held on Thursday 1st March. A letter regarding arrangements has been communicated by Mrs Hamilton. Please see your child's class teacher if there any questions or queries.

Parent Consultation Week - DATE CHANGE

We will be offering parent consultation appointments in the week beginning Monday 19th March. Please watch out for signing up sheets on the relevant classroom doors.

PTFA - Moveable Feast

Please do consider the PTFA's Moveable Feast, which promises to be another fantastic event. For more details please see Ali Ingram, the PTFA team or the school office.
