Monday 11th May 2020

Dear Parents/Carers

Following yesterday's announcement by the government that if social distancing measures continue to be maintained, they would like for schools to be partially opened for Reception, Year 1 and Year 6, we are working together as a team to plan and prepare for this possibility.

The announcement yesterday has, at present, left us with more questions than answers. We will update you on the arrangements for how this will work, when children will be timetabled in school and our continuing provision for keyworker children and those not in school nearer the time and as soon as we know that this is a confirmed plan.

Please bear in mind that we only received the information at the same time as you did yesterday so we need time to work out the practicalities of the arrangements to ensure the safety of all concerned.

I am also aware that you may have concerns over the safety of children coming to school, especially if you, a family member or your child is vulnerable and may not yet be able to safely return to school. We have staff in the same situation and will do our utmost to work around this.

If you have any particular and specific enquiries, please do e-mail them in or message via ClassDojo. We will endeavour to update as soon as possible.

In the meantime, stay safe and take care.

Kind Regards

Jo-Anne Callow
Executive Headteacher
