CODECAMP

EXTENDED EARLY BIRD PROMOTION

We are very excited to announce that Code Camp will be returning to Our Lady of Peace Primary School this summer!

Whether coding is new, or an identified passion, Code Camp will let your child unleash their creativity in a fun, collaborative and supportive environment. All attendees will build their own app, learn foundational coding principles and have ongoing access to the Code Camp World platform to keep coding long after the camp has concluded.

3 day camp
Wednesday 7th - Friday 9th August 2019
8:30am - 4pm

Spark camp (beginners, 7-12)
2D Game Makers (returning students, 7-12)
£229 per child (computers provided)
www.codecamp.co.uk

Special offer for the Burnham community:
Early Bird price £199 - use code OLOPED when booking before midnight Sunday 16th June

Code Camp is now a global movement, having taught over 50,000 children how to code in the past 5 years. We focus on problem-solving, creating apps and improving computational thinking in a fun and engaging way, so your child will be ready to take on the digital world of the future.

Check out hundreds of 5 star reviews to see what other parents are saying about Code Camp!
