SLOUGH WINTER NIGHT SHELTER Once again I call upon your generosity as we sleep outside on the night of the 24th November in a cardboard box. We do this for one night every year to raise funds and ensure the continuity of the Slough Winter Night Shelter. Now in its 4th year, the Shelter provides a safe, warm place to sleep for up to 50 rough sleepers with a hot meal and breakfast served. To give you an idea of the importance of this initiative, last winter, of the 50 that were sheltered, **22 went on to find permanent accommodation and 11 found employment.** This is so much more than providing basic food and shelter. It gives homeless people a chance to take a step outside of a downward spiral. **The Shelter also saves lives.** Enduring temperatures that reach well below zero it is unimaginable how awful it must be for anyone to live outdoors. We do it for just one night and it is an extremely tough experience - every time. The simple joy of returning to a warm home and a hot shower is indescribable. I hope you can support us this year as we join with over 100 others to raise funds. This link will take you to the mydonate site where our team can be supported. <https://mydonate.bt.com/fundraisers/mairincomfort2> Thank you, on behalf of our team, but most of all, thank you on behalf of the homeless people who will be helped again this winter.
