To: The Pupils at St Michael's C E Primary School  
Sunninghill

---

The Queen wishes me to write and thank you for your letters, with the drawings you made especially for Her Majesty to see.

Although The Queen is unable to reply personally to all the many letters she receives every day, Her Majesty hopes you are keeping safe and well in the current situation and The Queen much appreciated your message of good wishes for her at this time.

I am to thank you very much once again.
