Nut and Egg Allergy

With the new school year upon us we would like to take this opportunity to give a gentle reminder to all our school community that we have a number of children with severe nut and egg allergies.

We are writing to you to ask for your co-operation in helping us to reduce the risk which these children face every day in school.

The risks are from contact with other children who have eaten allergens and not just from the foods themselves. These allergies are potentially life threatening.

Packed Lunches and Snacks

Please help us by eliminating **all** types of nuts and eggs from your child's packed lunch. For example: peanut butter sandwiches, chocolate spread sandwiches which contain nuts e.g. nutella, snack bars which contain any nuts, boiled eggs, scotch eggs, egg sandwiches.
