

Dear Parents/Carers,

We will be running 3 '**Stay and Play**' sessions this academic year:

- 12:30 – 1:15 Thursday 1st November 2018 – **Maths focus**
- 12:30 – 1:15 Friday 11<sup>th</sup> January 2019 – **Physical focus**
- 12:30 – 1:15 Monday 29<sup>th</sup> April 2019 – **Literacy focus**

This is an opportunity to see how we teach in Early Years and how the children learn by applying their knowledge through their child initiated learning. There will be a short teacher led input followed by an opportunity for you to join in with the children's independent learning.

Please indicate your first and second choice of dates on the form below. We will give one session to each parent who responds.
