11th January 2019

Dear Parents

Happy New Year to you all. I hope you and your family had a great Christmas break. Thank you to everyone who joined us for our Christmas activities and for all the very kind and complimentary things said about the children's performances.

STANNATOR NATALIE HARRISON

The school had a visit from the Plympton Stannator who presented the school with a trophy to commemorate the centenary ending of the First World War. The trophy was donated on behalf of Plympton Community Council. The idea behind the trophy is that it should be awarded to a young person who has been recognised for their bravery, resilience or selfless acts, rather than for sporting or academic achievement. We are grateful to Natalie and the Plympton Community Council for the trophy and we will present it to a worthy winner at the end of the academic year.

Please note that the trophy was presented on Christmas jumper day - this is not my normal attire!

REMINDER MORNING REGISTRATION

The school accepts responsibility for children from 8:45 a.m. and children should not be at school before this time. From 8:45 a.m. the children come straight into school so that they are ready for registration at 8:55 a.m. If for any reason children arrive after this time they must go via the office to be signed in by an adult.

CHILD COLLECTION ARRANGEMENTS

A gentle reminder that the procedure for a child not being collected as normal, is for them to return to the Reception Office.

Please do not take another child home unless you have permission from the parent and the school has been informed. If you do make an arrangement for another parent to pick up your child, then please notify the school.

Thank you for your cooperation in this matter.

APPS, SOCIAL MEDIA AND GAMING

As a school we are constantly reinforcing the E-Safety message to the children. The online world is huge and it is virtually impossible to monitor everything that the children are accessing out of school. There are often reports in the press about the use or indeed misuse of various online sites and apps that your children may be accessing. As with anything that your children are accessing online, please be vigilant, keep communication with your children open and between us, we will be doing everything we can to keep the children safe.

THANK YOU

Thank you also to the Friends of Boringdon for all their help and support last term; it was much appreciated by the whole school community.

SEPTEMBER 2019 – RECEPTION ADMISSIONS

The Local Authority has responsibility for Primary admission arrangements for those children due to start school in September 2019. If you have a child due to start school next September (or you know of anyone in the school community), please ensure that you have completed a Common Application Form (CAF) by **15th January 2019** on the LA website at www.plymouth.gov.uk/schooladmissions

BORINGDON WEBSITE

www.boringdon.plymouth.sch.uk

As you know, we receive considerably less money per pupil from the Local authority than most schools, and as a consequence we are incredibly careful with the money we have. To save money we oversee on our own website.

It is probably not the fanciest you will see, however, it does contain all the information you are likely to require reference the school, and it is fairly simple to follow.

EVENTS IN SCHOOL NEXT WEEK

Year 2 tennis coaching will begin with Tom Wyman (LTA Coach).

Year 4 will have Argyle multi skills coaching with Argyle FC.

Year 5 Food Technology is taking place at Plympton Academy.
