Dear Parents/Carers,

RE: Possible reopening of the school to more pupils in June.

As I am sure you will have seen in the news, schools may reopen on 1st June, to Reception, Year 1 and Year 6 pupils, if the government thinks it is safe to do so.

We are awaiting further guidance and clarification from the government, which will hopefully help us to create an action plan for our phased reopening. We will of course share this with you as soon as possible, so you will know what the school's reopening will look like in practice.

It is undoubtedly a very unsettling time for us all, but please rest assured that we will do everything we can to make sure we are ready to receive these year groups, if it is safe for our school to reopen in the coming weeks.

However, we will not be pressuring anyone to send their children to school, since you know your children and personal situation best. We will keep you updated with all our preparations for making sure the school is as safe as possible, enabling you to make an informed decision.

In the meantime, the school is still open **only** for vulnerable pupils, and the children of **critical key workers**. We know some employers will be encouraging you to return to work, but we are not in a position right now to extend places to other children, until we receive further government guidance.

We would like to thank you for your continuous support in helping your child learn from home. We'll need to keep going with this for a while yet, so please do continue to do what you can and stay in touch with us about how your child is doing.

If you have any questions, please contact the school either by telephoning the office on 330424 or via email admin@boringdon.plymouth.sch.uk.

Kind regards,

Mr J Scales
Headteacher
