All teachers are working on learning packs that we will give to you if you are self-isolating or will send to you in the event of early closure. If we are not instructed to close before Easter, you will receive these packs on the last day of term. There will be 2/3 weeks worth of learning to start after the 2 week Easter holiday **if** we are advised to remain closed. It is our intention to keep learning going should the country be asked to stay at home. We will be publishing additional learning on our website and Facebook page

Please see below for further guidance, from today:

- Please don't be offended but we will no longer let visitors or parents into the building without invitation
- There will be no clubs after school
- ALL visits/trips/camps in April and up to May half term will be postponed and all money paid will be refunded to you asap
- Staggered lunches are taking place.

REMINDER:

If you or any member of your family has NEW symptoms, a cough and/or a temperature then please self-isolate the whole family for 2 weeks.

If you have a **confirmed** case of Coronavirus then please inform the school immediately.

We will do our very best to keep you informed as we get guidance. Please keep looking at our Facebook page and/or the school website.

With all best wishes to you and your family,

Miss Sargent
