A Midsummer Night's Dream – The John Brolly Version

Well done to Class 2 who took part in the Minack Theatre's Shakespeare festival- it was a great success! Each local primary school had a different part of the play to perform and St Levan performed their section brilliantly. Despite strong winds and the threat of rain, everyone remembered their parts and spoke loudly and clearly. The acting was superb and they brought the funny moments out of this comedy. To quote Oberon himself: "This falls out better than I could devise."

Odd Socks Day for Anti-Bullying Week

This is an opportunity for children to express themselves and appreciate individuality and uniqueness! This is something we do really well at St Levan and our children tell us that there is no bullying here. However, we still feel it is important to promote this national event and help raise awareness for Anti-Bullying Week by enabling children to understand what it can look like and what they can do if ever faced with it. To take part, come to school wearing odd socks, it couldn't be simpler! Odd Socks day will take place on the first day of Anti Bullying Week, Monday 13th November. Thank you.
