Welcome back, Choughs!

Dear parents/carers,

We're really looking forward to welcoming you back to Choughs Class. Following Mrs Blackie's letter earlier this week, we thought it would be helpful to send you some photos of what the classroom looks like and answer a couple of questions you may have.

What does my child need to bring to school?

We are trying to limit the number of things going to/from school. For this reason, we ask that no toys or stationery come into school (or go home!) at the moment. Thank you.

Children must bring:

- A named water bottle
- A waterproof coat
- A book bag- reading books will be cleaned regularly
- A change of clothing in a named bag
- A pair of wellies
- Lunch/snacks

Does my child need to wear a mask to school?

The current guidance is that primary age children do not need to wear a mask. If your child would feel more comfortable wearing a mask, they are welcome to do so. Please ensure it is in a bag and named. Thank you.

What do I do if I have any queries?

At the moment, we are not going to be able to have our usual open-door policy and informal chats on the gate. If you need to ask/tell us something please phone the office on 01736 810486 or email secretary@st-levan.cornwall.sch.uk. We will get back to you as soon as possible. It's likely there will be lots of queries in the first couple of weeks so bear with us while we get used to this new way of working. Thank you in advance for your understanding.

Yours sincerely,

Jessica Ferguson

Choughs Class Teacher

Downstairs, the nursery is all ready for our six new Reception starters!

Outside the nursery door, we have a new sink. This is where the children will wash their hands on their way into school. Reception children's pegs are here. Year Ones and Twos have their pegs upstairs.

Upstairs, the tables look a little different and the walls are ready for you to fill with lots of lovely learning.

We have a new hand-sanitiser on the wall (see here on the right).
