6th September 2018

Dear Parent

Minack Trip – Myths and Monsters

As part of our topic on Ancient Greece, we are excited to announce that next Monday (10th September) all of Class 2 will be visiting the Minack Theatre to watch a storytelling show by Squashbox. This will kick-start our topic and introduce us to some of the intriguing stories and nightmarish monsters found in Greek Mythology.

We will be leaving school on Monday at 9:30am and will return to school to eat lunch at the normal time. It is imperative children have a waterproof coat and warm layers with them as the show will go ahead even if the weather is inclement. Please also ensure children are wearing sturdy footwear. If the forecast looks to be sunny, please also pack suncream.

We are very fortunate that the Minack has been able to put on this extra show for us and is not charging us for the tickets, we are very grateful to the Minack Theatre for their continued support. Please ensure all consent forms are returned by **tomorrow (Friday 7th)** as children without these completed will not be able to attend the performance.

Here is further information, taken from the Minack site about the show:

Where can you find a creature that is half eagle and half lion? Or one that is half goat, half fish! Or half horse, half human? Or half lion, half goat and half snake? Wait, that's impossible... or is it? Not in the crazy, mixed-up world of ancient Greek stories, it's not! (It's called a Chimera)

The myths and legends of ancient Greece have been passed down through the generations, entrancing and fascinating people for thousands of years...

Now join Craig Johnson from Squashbox Theatre as he explores these legends of old, using a quirky and ingenious blend of puppetry, storytelling, live music and comedy.

Meet the brave heroes and immortal gods of ancient Greece, such as Theseus, Perseus, Zeus, Apollo and Aphrodite!

Encounter some of the mixed-up monsters of legend, such as the Minotaur, the Harpies, the terrifying Gorgons and the not terrifying-at-all-and-rather-silly Sea Goat!

Learn about the ways ancient Greece has shaped the modern world, from theatre and philosophy to mathematics and music!

Yours sincerely

Anya Finch
Class 2 Teacher
