Welcome Supper

The welcome supper was another lovely event this year. Huge thanks to all our amazing parents and children for working so hard before supper – we achieved so much! It was an incredible effort from everyone in moving the gravel so quickly! All our children were great and really respectful at all times. A special thanks to Sophia for organizing everyone and for researching and purchasing our new outdoor games for the children to enjoy. Thank you to Sharon for organizing so many tasty potatoes!

Congratulations to our newly elected

School Council members- Lailani, Amelia, Alfie, Olivia Robins and Freya. Well done for all your hard work so far and presenting your speeches. Our Councillors will be having meetings this week and taking ideas for the year so if you have any – let them know!

Raising Aspirations, Inspiring Futures!

Many thanks to our parent and local MP Derek Thomas for starting off a series of inspirational assemblies with our children. After a slide show of photographs, our children had many considered and thought provoking questions for Derek including if he would be the member of a different party... ask your children for the response! Derek talked about pushing ourselves and holding onto 'hope' which fits with the virtue of 'determination' we have been discussing in school. We are looking for our next talented parent for an October assembly with our children, please let Hayley in the office know if you are passionate about what you do and would like to inspire our children. Thank you!

Pegasus Awards

Congratulations to everyone for making progress with the four key strands. Duncan presented awards to the children who had completed all their skills. We are continuing with Pegasus so there is still plenty of time to achieve your award. Remember to volunteer for lots of jobs at home!

Vanda – considered the amount of air miles involved in eating a pizza as opposed to a local pie sourced with local produce.

Pizza Miles

Thank you to Vanda who came in recently and delivered a very thought provoking assembly about how far many pizzas you buy from a supermarket travel before they get to our plate. Up to 21,000 miles when you include where each ingredient has come from! We thought about how we could reduce this distance and help the environment by buying locally.

Class 2 News

Class two have got to work on all sorts of learning so far this term and have really impressed everyone with how hard they have been working. We have used the green screen to help us improve our performance technique and have written some very interesting descriptions of Spitfires using coordinating conjunctions. Our new library is almost complete and has transformed our classroom, thank you to Sophia, Brigit, Mr Yarwood and Sharon Brolly for all their hard work in making it happen.

Reminders and Dates:

Additional music sessions are underway with Anna and the children are sounding amazing. Hopefully some children will perform at our Harvest Assembly later in the month.

5th October - BUILD A BURGER lunch!

Chris Riddell workshop for Years 4, 5 and 6.

NO CLUB

6th October - CAPOEIRA with Josh

9th October - Friends AGM 9.00am. Come and join us for coffee and croissants

Class 2 Minack Workshop 1-3pm (see letter)

11th October - Football Match against Trythall School

12th October – Class 1 Minack Workshop 1-3pm

17th October – Harvest Assembly 2.15pm

20th October – Shakespeare Workshop with John Brolly

CONGRATULATIONS TO OUR SHINING STARS

Lola for her brilliant use of co-ordinating conjunctions in her spitfire description.

Lailani for her consistent and outstanding learning showing great determination. She is caring and always helpful.

Headteacher's Award

Theo for his cooperation and orderliness during playtimes. Thank you Theo for being so organised!

We are very proud of all our children.

Our virtue for the next couple of weeks:

DETERMINATION

Focusing our energy and efforts on a task and sticking with it until it is finished. With determination we make our dreams come true.
