The Emperor's New Clothes: Ice-creams and sun-creams

The sun was shining and so were the Emperor's clothes as the St Levan gang tucked into a delicious pasty-picnic before the performance. We had front row seats and very much enjoyed the cast's many changes of costume, especially the Emperor's final change. If you know the story, you'll know what we mean! The ice-creams during the intermission were a welcome refreshment, as we applied a fifth (or was it sixth?) layer of sun-cream. A huge thank you to all those involved. See you again next year!

Blues and Twos

A huge thank you to the two officers from Devon and Cornwall Police who paid us a very informative visit on Tuesday morning. It was really interesting to find out more about what the police do and how they help the local community on a daily basis. We played spot the difference between a Police Community Support Officer and a Sergeant and talked about their roles in the police force. Sitting in the police car and hearing the sirens was a highlight as was dressing up! They shared with us how to contact the emergency services and reminded us that they are approachable and friendly and to say hello if we see them out and about in the community.

POCKET OF PENWITH

A roaring success, raising over £2000! I am sure we will hear from our Friends of St Levan soon – this was a wonderful evening and a superb project where the artistic work of our children displayed alongside international artists! As they say, art is in the eye of the beholder and I hope you all ended up with something you love. Huge thanks must go to all our Friends of St Levan who have worked tirelessly to organize, prepare and run a fabulous event. THANK YOU!

Reminders and dates for your diary:

Warm weather reminders: Please ensure your child has applied long lasting sun cream before coming to school. A cap/hat is essential especially during lunchtime. Please continue to support us with clean freshly filled water bottles every day. We would like this to become part of your child's daily routine, just like bringing their bags and reading book to school.

Please observe the new road markings in front of the school. We need to keep this area clear for deliveries but also for the safety of all children. We request that you do not park here or leave your vehicle unattended. Thank you.
