24th September 2018

Dear Parent

WELCOME SUPPER

As you know this Friday 28th September it is 'The Big Dig' where you have very kindly offered to help with some of the important jobs in the garden and around the School. After all of your hard work we would like you to join us at 5pm for a Welcome Supper. We will provide jacket potatoes and fillings but would ask that you bring along a small plate of food for sharing.

We will also be providing refreshments during the supper and ask that you make a donation that will go towards the Macmillan Cancer Care charity.

FRIENDS AGM

Another important date for your diary is Tuesday 9th October at 9am. We will be holding our Friends of St Levan School AGM. Everyone is welcome to come along for a coffee and croissant breakfast. The Friends meetings are always open to all and our main focus is to organise events to fundraise for the school. We have a small committee - Chair, Treasurer and Secretary and anyone is welcome to stand for those positions so if you would like to know more details please speak to Sophia Milligan our current Chair at the gate.

We look forward to seeing as many of you as possible at these events. We welcome back our old parents but also particularly welcome new parents who have just joined our school.

Many thanks

Sharon Brolly
on behalf of The Friends of St Levan School
