Thank you to you all for a very special 'Welcome Supper' – it was lovely to see everyone together, sharing such a delicious feast! Thank you to the working party beforehand for transforming our garden and making it manageable once again.

Harvest Assembly

Please join us on Monday 10th October at 2.30pm for our special assembly. We have some seasonal songs to share and Class 2 will tell you how they have been 'growing brains' and how you too, can have a 'growth mindset'!

We would appreciate donations of non-perishable food items which will be taken to a local food bank. The children will be making vegetable soup on Monday morning so please can every child bring a vegetable in for the pot.

Parents' Evening

Sign up outside the office or give Hayley a call. We look forward to seeing you on Thursday 13th October.

Bonfire at Penberth Saturday 5th November

Vickie is collecting wood so please drop off at Penberth Green.

The Minack Theatre

Class 2 will be taking part in a theatre skills workshop on Friday 14th October.

CONGRATULATIONS TO OUR SHINING STARS

Sorrel for her super scientific predictions when he heated materials for our rice krispie moons!

Bryony for showing an excellent attitude to all aspects of school life from homework to leadership and caring for other members at school.

*In our sharing assembly our children have time to reflect on their own achievements. This week, **Elyssa** felt proud of herself for taking responsibility for her homework and developing her handwriting style. **Fred** felt proud of himself for going to bed early and for being brave with his swimming challenge. He took a risk and has discovered he loves it!*

We now have a very special 'Golden Book' where we record everyone's achievements.
