Welcome Back!

Thank you to everyone for making our Duck Race a great afternoon. Special thanks to everyone who made delicious cakes and took part in the duck rescue mission. We hope you all had a relaxing break and feel revitalized for the Summer Term!

It is a pleasure to welcome all our children back. We have lots of exciting events planned for the Summer Term including new clubs, PE with Dave Tremaine, preparation for LaFrowda, London Central School of drama, Class 2 residential, a Class 1 sleepover and the opening of our new 'secret garden'! Huge thanks to Sophia, Rich, Brigit and Aidan for giving so freely of their time over the holidays to build us our very own vegetable beds. We now have our very own 'Penberth' on site to access at all times. All the children enjoyed being out there today and we talked about our virtue for this week: 'Purposefulness'. We are focused on creating a beautiful, clam space where we can grow special things or just go up there to read and relax. This is a wonderful opportunity for our children to be outdoors and involved daily in watching everything grow. The compost will be arriving soon so all the children will be involved in planting and growing produce of their choice. This afternoon, we used our maths skills to estimate, weigh and transport lots of gravel to the garden. Thank you to all our children for working as a team. It was great to be outside learning and enjoying the sunshine.

Shang Dynasty Exhibition in Class 2

Thank you so much to everyone who came and supported our exhibition in Class 2 at the end of last term. The children were thrilled with the wonderful comments everyone left on the questionnaires and how many people attended. Well done to all the children – what incredible effort! Miss Finch
