1. Introduction

This document is set out in three parts, firstly those matters which apply equally across the whole of Smart Multi Academy Trust (the Academy Trust), section 1 to 3, secondly those procedures which apply to complaints arising out of the activities of an individual school, section 4 and thirdly complaints arising out of the activities of the Academy Trust's Central Support Office, or apply across a number of schools (section 5).

These procedures are for use for complaints made by a pupil, parent or carer or a member of the public against an individual school or the Central Support Office. There are separate arrangements, laid down by law to cover the following:

- Complaints against the curriculum, collective worship and religious education.
- Appeals against admissions.
- Appeals against exclusions.
- Appeals about assessments and statements of special educational needs.
- Child protection allegations.
- Abuse towards staff involving children

Alternative procedures also apply in respect of Whistleblowing and staff related management issues.

For further guidance on any of the above please contact the Headteacher of the school concerned or the Chief Executive Officer of the Academy Trust.

2. Overview

2.1 Dealing with Complaints: Informal Procedures

All parties must be clear about the difference between a concern and a complaint. Taking informal concerns seriously at the earliest stage will reduce the numbers that develop into formal complaints. The complainant should initially raise any concern directly with the member of staff most directly involved and if not satisfied discuss concerns with a more senior member of staff.

Concerns which are defined as something that is of interest or something that affects you directly but which may not be significant, ought to be handled, if at all possible, without the need for formal procedures. The requirement to have a complaints procedure need not in any way undermine efforts to resolve the concern informally which will ensure the issue is dealt with as speedily as possible.

Ethos

Our vision is:

'to provide the best educational opportunities and experiences to help our children, their families and communities see themselves as lifelong learners.

Education will provide the gateway to becoming valued and caring members of our democratic society within which everyone achieves physical and emotional wellbeing and economic success.'

Guiding Principles

The welfare of others is the first concern of all. The education of every child is held to be of equal value in our schools.

2.2 Dealing with Complaints: Formal Procedures

Formal procedures will need to be invoked when initial attempts to resolve the issue are unsuccessful and the person raising the concern remains dissatisfied and wishes to take the matter further.

Formal complaints should be made in writing to the Headteacher or Chief Executive Officer by completing the attached form in Appendix A.

Please note a Headteacher or the Chief Executive Officer may refer your complaint to a member of the school or Academy Trust team if, in their opinion, the matter would be best dealt with by that individual.

3. General Principles

3.1 Aims

The Complaints Procedure aims to:

- encourage resolution of problems by informal means wherever possible;
- be easily accessible and publicised;

- be simple to understand and use;
- be impartial;
- be non-adversarial;
- allow swift handling with established time-limits for action and keeping people informed of the progress;
- ensure a full and fair investigation by an independent person where necessary;
- respect people's desire for confidentiality;
- address all the points at issue and provide an effective response and appropriate redress, where necessary;
- provide information to the School or Academy Trust leadership so that services can be improved.
- To complement but not duplicate staff performance management and disciplinary procedures

3.2 Investigating Complaints

At each stage, the person investigating the complaint, should ensure that they:

- establish and record what has happened so far, and who has been involved;
- clarify the nature of the complaint, through a written statement, and what remains unresolved;
- meet with the complainant or contact them (if unsure or further information is necessary);
- clarify what the complainant feels would resolve the issue;
- interview those involved in the matter and/or those complained of, with a colleague present or parent/carer in the case of a student.
- conduct the interview with an open mind and be prepared to persist in the questioning;
- keep notes of all discussions and interviews, indicating whether they were resolved at preliminary stage or whether they proceeded to panel hearing;
- Secure any available evidence including taking screen shots of any social media web pages.

NB – All documents will be kept securely in accordance with Data Protection principles.

3.3 Resolving Complaints

At each stage in the procedure the person investigating the complaint will consider ways to resolve a complaint. It might be sufficient to acknowledge that the complaint is valid in whole or in part. In addition, it may be appropriate to offer one or more of the following:

- an apology;
- an explanation;
- an admission that the situation could have been handled differently or better;
- as far as practicable an assurance that the event complained of will not recur;
- an explanation of the steps that have been taken to ensure that it will not happen again;

- an undertaking to review our policies in light of the complaint.
- in certain justifiable circumstance to take reasonable action to rectify and/or recompense the individual affected.

Complainants should be encouraged to state what actions they feel might resolve the problem at any stage. An admission that the Academy Trust could have handled the situation better is **not** the same as an admission of negligence.

It is important to clarify any misunderstandings that might have occurred in order to create a positive atmosphere in which to discuss any outstanding issues.

3.4 General Points

An anonymous complaint will not normally be investigated unless there are exceptional circumstances or the complaint is sufficiently serious to warrant investigation.

To allow for a proper investigation, complaints should be brought to our attention in writing as soon as possible. Any matter raised more than 3 months after the event being complained of will not be considered, save in exceptional circumstances.

Investigation of any complaint or review request will begin within 5 working days of receipt of the same, save in exceptional circumstances i.e. where it is necessary to appoint an external independent person. The investigation will be completed as soon as reasonably practicable.

3.5 Habitual and Vexatious Complaints

There will be occasions when, despite all stages of the procedures having been followed, the complainant remains dissatisfied. It should be noted that the decision of the Academy Trust is final; and any vexatious complaints will not be investigated further, unless new evidence has come to light.

The term complaint in this policy includes requests made under the Freedom of Information Act 2000 and the Data Protection Act 1998.

For the purpose of this policy the following definition of habitual or vexatious complainants will be used:

The repeated and/or obsessive pursuit of:

- (i) unreasonable complaints and/or expectation of unrealistic outcomes; and/or
- (ii) reasonable complaints in an unreasonable manner.

This policy is intended to assist in identifying and managing persons who seek to be disruptive to an individual school or the Academy Trust through pursuing an unreasonable course of conduct.

3.6 Managing and Recording Complaints

An initial complaint may be made in person, by telephone, or in writing. Depending on the nature and/or seriousness of the complaint it may be appropriate to ask for the complaint to be put in writing

as soon as possible. If the complainant wishes to invoke the formal stage of the complaints procedure, they must complete the form in **Appendix A**. At the end of a meeting or telephone call, the member of staff should seek to ensure that the complainant and the school or Academy Trust have the same understanding of what was discussed and agreed. A brief note of meetings and telephone calls should be kept and a copy of any written response added to the record.

For the Academy Trust the Central Support Office is responsible for the records and to hold them centrally. Within each school this responsibility falls to a senior staff member or other appropriate person in the school. The complaints, the stages used and the resolution should be recorded so that any obvious issues can be dealt with appropriately.

All correspondence, and statements and records of complaint must be kept confidential but must be available to be shown to Her Majesty's Inspectorate, Ofsted and auditors when they inspect or audit.

3.7 Board Member Review

The Local Governing Board of a school or the Board of Trustees of the Academy Trust, will monitor the level and nature of complaints and review the outcomes on a regular basis; to ensure the effectiveness of the procedure and recommend changes where necessary by reporting any issues to the school or the Academy Trust. Preferably, complaints information shared with Board Members will not name individuals.

The process of listening to and resolving complaints will contribute to improvement. When individual complaints are heard, underlying issues that need to be addressed may arise. The monitoring and review of complaints by those responsible for the strategic oversight of the Academy Trust can be a useful tool in evaluating the climate and overall performance.

4 Complaints Procedure – for individual Schools

It should be noted that this procedure only applies to those complaints arising out of the activities within an individual school. If your complaint relates to the activities of the Central Support Office of the Academy Trust or applies across a number of schools, then please refer to the procedures set out in Section 5 below.

4.1 Stage 1. Informal Stage: Complaint Heard by a Member of Staff at the school

The complainant is normally expected to arrange to communicate directly with the member of staff concerned. This may be by letter, by telephone or in person by appointment. Many concerns can be resolved by simple clarification or the provision of information and it is anticipated that most complaints will be resolved by this informal stage. In the case of serious concerns, it may be appropriate to address them directly to the Headteacher.

An unreasonable refusal to attempt an informal resolution may result in the procedure being terminated forthwith. Any dispute in relation to the "reasonableness" may be determined through the review process but will not include the member of staff who is the subject of the complaint.

4.2 Stage 2. Formal Stage: Complaint Heard by Headteacher at the individual school

If the complaint is not resolved at the informal stage the complainant must put the complaint in writing, using the Form in **Appendix A**, and pass it to the Headteacher, who will nominate a member of staff, the 'Investigating Officer', who is not connected to the complaint, to carry out the investigation.

The complainant should include details that might assist the investigation, such as names of potential witnesses, dates and times of events, and copies of relevant documents. The Investigating Officer should normally meet with the complainant to discuss his / her concerns within ten working days of receiving the complaint.

The Investigating Officer will collect such other evidence as s/he deems necessary.

The investigation will begin as soon as possible and when it has been concluded, the complainant, and the member of staff concerned, will be informed in writing, within ten working days of receiving the complaint, of the outcome. This may be to the effect that:

- There is insufficient evidence to reach a conclusion, so the complaint cannot be upheld;
- The concern is not substantiated by the evidence;
- The concern was substantiated in part or in full. Some details may then be given of action the school may be taking to review procedures etc, but details of the investigation or of any resulting staff disciplinary procedures will not be released
- The matter has been fully investigated and that appropriate procedures are being followed, which are strictly confidential. [e.g. where staff disciplinary procedures are being followed]

The complainant will be advised in writing that consideration of their complaint by the Investigating Officer is now concluded.

If the complainant is not satisfied with the manner in which the process has been followed, the complainant may request that the Headteacher review the process followed by the Investigating Officer in handling the complaint. Any such request must be made in writing within 10 working days of receiving notice of the initial outcome from the Investigating Officer, and include a statement specifying any perceived failures to follow the procedure. The procedure described in Stage 3 will then be followed.

If the complainant considers that the Headteacher has acted unreasonably in considering the complaint, then the complainant may bring a complaint against the Headteacher – see Section 4.3 below.

4.3 Complaints Relating to the Actions of the Headteacher

It should be noted that this procedure only applies when there is a perceived failure in the process which has been followed and does not apply when the complainant is dissatisfied with the outcome. In such cases the complainant should escalate their complaint to the Local Governing Boar in accordance with Section 4.4

4.3.1 Informal Stage

The complainant is usually expected to arrange to speak directly with the Headteacher. In the case of serious concerns, it may be appropriate to raise them directly with the Chair of the Local Governing Board. Many concerns can be resolved by simple clarification or the provision of information. If the matter is not resolved, if both parties agree, then a third party may be invited to act as a mediator at a further meeting. A refusal, unreasonably, to attempt an informal resolution may result in the procedure being terminated forthwith.

4.3.2 Formal Stage

If the complaint is not resolved at the informal stage the complainant must put the complaint in writing as set out in Appendix A and pass it to the Chair of the Local Governing Board who will determine which of the agreed procedures to invoke. If it is determined that the complaint is relevant to this complaints procedure, the Chair will arrange for its investigation by a nominated Board Member or an independent person.

The complainant should include details which might assist the investigation, such as names of potential witnesses, dates and times of events, copies of relevant documents etc. In addition, the complainant will be invited to meet with the nominated Board Member to present oral evidence or to clarify the complaint. The nominated Board Member will collect such other evidence as is deemed necessary. This may include the interviewing of witnesses and others who may provide relevant information.

The Headteacher will be provided with a copy of the complaint and any additional evidence presented by the complainant or collected by the nominated Board Member. Once there has been an opportunity for the Headteacher to consider this, s/he will be invited to meet separately with the nominated Board Member, in order to present written and oral evidence in response. The Headteacher may be accompanied at this meeting by a friend or representative.

When the investigation has been concluded, the complainant and the Headteacher will be informed in writing of the outcome. The complainant will not be informed of any disciplinary/capability action.

The complainant will be told that consideration of their complaint by the Chair is now concluded.

If the complainant is not satisfied with the manner in which the process has been followed or that the Chair has acted unreasonably in considering the complaint, then the complainant may request that the Local Governing Board review the handling of the complaint by the Chair. Any such request must be made in writing within 10 working days of receiving notice of the outcome from the Chair, and include a statement specifying any perceived failures.

4.4 Stage 3: Complaint Heard by the Local Governing Board

If the complainant is still dissatisfied with the outcome (having followed the procedure set down in Section 4.2) s/he should write to the Chair of the Local Governing Board giving details of the complaint within ten working days of receipt of the decision letter. Unless the matter is subject to Call-in by the Chief Executive Officer the Chair or another nominated Board Member will convene an *ad hoc* Complaints Committee, if they consider it appropriate, after considering the report of any investigating officer.

The complaints committee will consist of two Board Members and one person independent of the management and running of the school. The three people comprising the committee will not have been directly involved in the matters detailed in the complaint. The committee will be appointed by the Chair of the Local Governing Body with the chair of the committee being appointed when they meet. The committee will convene a hearing at which the complainant will be invited to put forward their case. This should be held within 20 working days of the decision to hold a hearing. The complainant may be accompanied by a friend or relative at the hearing if they wish.

The Complaints Committee will follow the procedure set out in **Appendix B** and in accordance with the roles defined in **Appendix C**.

The complaints committee will take a decision as to any action to be taken in response to the complaint. For example, they may choose to:

- dismiss the complaint in whole or in part;
- uphold the complaint in whole or in part;
- recommend changes to the academy's systems or procedures to ensure that problems of a similar nature do not recur.

In reaching a decision the committee may take the advice of such bodies as they see fit, in particular the Department for Education and Ofsted.

If it is decided that it is appropriate to hold a hearing, the clerk of the complaints committee will inform both parties in writing of the decision to hold the meeting within five working days. The chair of the complaints committee will ensure that the complainant is notified of the committee's decision, in writing, with the committee's response within 7 working days following the meeting.

If, after following this complaints procedure, the complainant is dissatisfied with the outcome, or if there are reasons why they cannot use this procedure - for example, they feel their complaint has not been or will not be given a fair consideration due to a conflict of interest – they can forward their complaint to the Department for Education, using the online '**academy complaints form**'.

Call-in

Call-in should only be used in exceptional circumstances and only in cases where the complaint directly involves the conduct of a Headteacher. Call-in will apply where a matter is brought to the attention of the Chief Executive Officer and in his or her opinion the complaint is sufficiently serious to warrant immediate escalation to Stage 4.

4.5 Stage 4: Complaint Heard by the Chief Executive Officer

If the complainant is still dissatisfied with the outcome s/he should write to the Chief Executive Officer giving details of the complaint, within ten working days of receipt of the decision letter from the school's Local Governing Board.

Upon receipt of the complaint the Chief Executive Officer will nominate an individual either a member of staff or an independent third party, the 'Reviewing Officer', who is not connected to the complaint, to carry out a review the complaint file.

In addition to the complaint file the Reviewing Officer may collect such other evidence as s/he deems necessary.

The review will begin as soon as possible and when it has been concluded, the complainant, and the member of staff concerned, will be informed in writing, within ten working days of receiving the complaint, of the outcome. This may be to the effect that:

- There is insufficient evidence to reach a conclusion, so the complaint cannot be upheld • The concern is not substantiated by the evidence
- The concern was substantiated in part or in full. Some details may then be given of action the Academy may be taking to review procedures etc... but details of the investigation or of any resulting staff disciplinary procedures will not be released
- The matter was fully investigated and the appropriate procedures were followed.

The complainant will be advised in writing that consideration of their complaint by the Reviewing Officer is now concluded.

If the complainant is not satisfied with the outcome of the Review the complainant may request that the matter be considered by the Board of Trustees in accordance with Section 4.6 below.

4.6 Stage 5: Complaint Heard by the Complaints Committee

If the complainant is still dissatisfied with the outcome s/he should write to the Chair of the Board of Trustees giving details of the complaint, within ten working days of receipt of the decision letter. The Chair or another nominated Board Member will convene an *ad hoc* Complaints Committee, if they consider it appropriate, after considering the report of any investigating and reviewing officer.

The complaints committee will consist of two Trustees and one person independent of the management and running of the Academy Trust or the school concerned. The three people comprising the committee will not have been directly involved in the matters detailed in the complaint. The committee will be appointed by the Chair of the Board of Trustees with the chair of the committee being appointed when they meet. The committee will convene a hearing at which the complainant will be invited to put forward their case. This should be held within 20 working days of the decision to hold a hearing. The complainant may be accompanied by a friend or relative at the hearing if they wish.

The complaints committee will take a decision as to any action to be taken in response to the complaint. For example, they may choose to:

- dismiss the complaint in whole or in part;
- uphold the complaint in whole or in part;
- recommend changes to the academy's systems or procedures to ensure that problems of a similar nature do not recur.

In reaching a decision the committee may take the advice of such bodies as they see fit, in particular the Department for Education and Ofsted.

If it is decided that it is appropriate to hold a hearing, the clerk of the complaints committee will inform both parties in writing of the decision to hold the meeting within five working days. The chair of the complaints committee will ensure that the complainant is notified of the committee's decision, in writing, with the committee's response within 7 working days following the meeting.

If, after following this complaints procedure, the complainant is dissatisfied with the outcome, or if there are reasons why they cannot use this procedure - for example, they feel their complaint has not been or will not be given a fair consideration due to a conflict of interest – they can forward their complaint to the Department for Education, using the online '**academy complaints form**'.

5. Complaints Procedure – Central Support Office of the Academy Trust

It should be noted that this procedure only applies to those complaints arising out of the activities of the Central Support Office of the Trust or applies across a number of schools. If your complaint relates to the activities within an individual school, then please refer to the procedures set out in Section 4 above.

5.1 Stage 1: Informal Stage: Complaint Heard by a Member of Staff

The complainant is normally expected to arrange to communicate directly with the member of staff concerned. This may be by letter, by telephone or in person by appointment. Many concerns can be resolved by simple clarification or the provision of information and it is anticipated that most complaints will be resolved by this informal stage. In the case of serious concerns, it may be appropriate to address them directly to the Chief Executive Officer.

An unreasonable refusal to attempt an informal resolution may result in the procedure being terminated forthwith. Any dispute in relation to the "reasonableness" may be determined through the review process but will not include the member of staff who is the subject of the complaint.

5.2 Stage 2: Formal Stage: Complaint Heard by the Chief Executive Officer

If the complaint is not resolved at the informal stage the complainant must put the complaint in writing, using the Form at **Appendix A**, and pass it to the Chief Executive Officer, who will nominate an individual, either a member of staff or an independent third party, the 'Investigating Officer', who is not connected to the complaint to carry out an investigation.

The complainant should include details that might assist the investigation, such as names of potential witnesses, dates and times of events, and copies of relevant documents. The Investigating Officer should normally meet with the complainant to discuss his / her concerns within ten working days of receiving the complaint.

The Investigating Officer will collect such other evidence as s/he deems necessary.

The investigation will begin as soon as possible and when it has been concluded, the complainant, and the member of staff concerned, will be informed in writing, within ten working days of receiving the complaint, of the outcome. This may be to the effect that:

- There is insufficient evidence to reach a conclusion, so the complaint cannot be upheld;
- The concern is not substantiated by the evidence;
- The concern was substantiated in part or in full. Some details may then be given of action the Academy may be taking to review procedures etc but details of the investigation or of any resulting staff disciplinary procedures will not be released;
- The matter has been fully investigated and that appropriate procedures are being followed, which are strictly confidential. [e.g. where staff disciplinary procedures are being followed]

The complainant will be advised in writing that consideration of their complaint by the Investigating Officer is now concluded.

If the complainant is not satisfied with the manner in which the process has been followed, the complainant may request that the Chief Executive Officer review the process followed by the Investigating Officer in handling the complaint. Any such request must be made in writing within 10 working days of receiving notice of the initial outcome from the Investigating Officer, and include a statement specifying any perceived failures to follow the procedure. The procedure described in Stage 3 will then be followed.

If the complainant considers that the Chief Executive Officer has acted unreasonably in considering the complaint, then the complainant may bring a complaint against the Chief Executive Officer— see Section 5.3 below.

5.3 Complaints Relating to the Actions of the Chief Executive Officer

It should be noted that this procedure only applies when there is a perceived failure in the process which has been followed and does not apply when the complainant is dissatisfied with the outcome. In such cases the complainant should escalate their complaint to the Board of Trustees in accordance with Section 5.4

5.3.1 Informal Stage

The complainant is usually expected to arrange to speak directly with the Chief Executive Officer. In the case of serious concerns, it may be appropriate to raise them directly with the Chair of the Board of Trustees. Many concerns can be resolved by simple clarification or the provision of information. If the matter is not resolved, if both parties agree, then a third party may be invited to act as a mediator at a further meeting. A refusal, unreasonably, to attempt an informal resolution may result in the procedure being terminated forthwith.

5.3.2 Formal Stage

If the complaint is not resolved at the informal stage the complainant must put the complaint in writing using Appendix A and pass it to the Chair of the Board of Trustees who will determine which of the agreed procedures to invoke. If it is determined that the complaint is relevant to this complaints procedure, the Chair will arrange for its investigation by a nominated Trustee or an independent person.

The complainant should include details which might assist the investigation, such as names of potential witnesses, dates and times of events, copies of relevant documents etc. In addition, the complainant will be invited to meet with the nominated Trustee to present oral evidence or to clarify the complaint. The nominated Trustee will collect such other evidence as is deemed necessary. This may include the interviewing of witnesses and others who may provide relevant information.

The Chief Executive Officer will be provided with a copy of the complaint and any additional evidence presented by the complainant or collected by the nominated Trustee. Once there has been an opportunity for the Chief Executive Officer to consider this, s/he will be invited to meet separately with the nominated Trustee, in order to present written and oral evidence in response. The Chief Executive Officer may be accompanied at this meeting by a friend or representative.

When the investigation has been concluded, the complainant and the Chief Executive Officer will be informed in writing of the outcome. The complainant will not be informed of any disciplinary/capability action.

The complainant will be told that consideration of their complaint by the Chair is now concluded.

If the complainant is not satisfied with the manner in which the process has been followed or that the Chair has acted unreasonably in considering the complaint, then the complainant may request that the Board of Trustees review the handling of the complaint by the Chair. Any such request must be made in writing within 10 working days of receiving notice of the outcome from the Chair, and include a statement specifying any perceived failures.

5.4 Stage 3: Complaint Heard by the Board of Trustees Complaints Committee

If the complainant is still dissatisfied with the outcome s/he should write to the Chair of the Board of Trustees giving details of the complaint within ten working days of receipt of the decision letter. The Chair or another nominated Trustee will convene an *ad hoc* Complaints Committee, if they consider it appropriate, after considering the report of any investigating officer.

The complaints committee will consist of two Trustees and one person independent of the management and running of the Academy Trust. The three people comprising the committee will not have been directly involved in the matters detailed in the complaint. The committee will be appointed by the Chair of the Board of Trustees with the chair of the committee being appointed when they meet. The committee will convene a hearing at which the complainant will be invited to put forward their case. This should be held within 20 working days of the decision to hold a hearing. The complainant may be accompanied by a friend or relative at the hearing if they wish.

The Complaints Committee will follow the procedure set out in **Appendix B** and in accordance with the roles defined in **Appendix C**.

The complaints committee will take a decision as to any action to be taken in response to the complaint. For example, they may choose to:

- dismiss the complaint in whole or in part;
- uphold the complaint in whole or in part;

- recommend changes to the Academy Trust's systems or procedures to ensure that problems of a similar nature do not recur.

In reaching a decision the committee may take the advice of such bodies as they see fit, in particular the Department for Education and Ofsted.

If it is decided that it is appropriate to hold a hearing, the clerk of the complaints committee will inform both parties in writing of the decision to hold the meeting within five working days. The chair of the complaints committee will ensure that the complainant is notified of the committee's decision, in writing, with the committee's response within 7 working days following the meeting.

If, after following this complaints procedure, the complainant is dissatisfied with the outcome, or if there are reasons why they cannot use this procedure - for example, they feel their complaint has not been or will not be given a fair consideration due to a conflict of interest – they can forward their complaint to the Department for Education, using the online '**academy complaints form**'.

6. Making a Complaint to the Department for Education

Making a complaint to the Department for Education (DfE) should only happen once all other routes have been followed and exhausted.

The exception to this may be where there is a child protection concern, or where a child is missing education.

More information about making a complaint can be found on the DfE website:

<http://www.education.gov.uk/schools/leadership/schoolperformance/b00212240/making-complaint-school/how-to-complain>

The complaint will be investigated by the Education Funding Agency (EFA). Generally, the EFA can only look at complaints that fall into the following two areas:

1. The Academy Trust did not comply with its own complaints procedure when considering a complaint or the school's complaints procedure does not comply with statutory requirements.
2. The Academy Trust has failed to comply with a duty imposed on it under its funding agreement with the Secretary of State.

- notify all parties of the panel's decision.

The role of the Chair of the Panel

The Chair of the Panel has a key role, ensuring that:

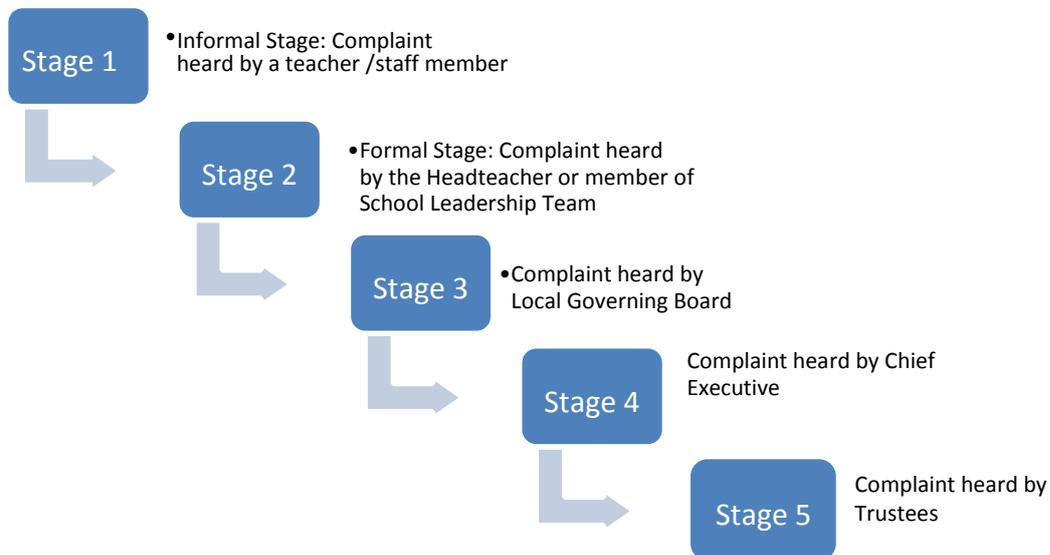

- the remit of the panel is explained to the parties and each party has the opportunity of putting their case without undue interruption;
- the issues are addressed;
- key findings of fact are made;
- pupils or parents and others who may not be used to speaking at such a hearing are put at ease;
- the hearing is conducted in an informal manner with each party treating the other with respect and courtesy;
- the panel is open minded and acting independently;
- no member of the panel has a vested interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure;
- each side is given the opportunity to state their case and ask questions;
- written material is seen by all parties. If a new issue arises it would be useful to give all parties, the opportunity to consider and comment on it.

Notification of the Panel's Decision

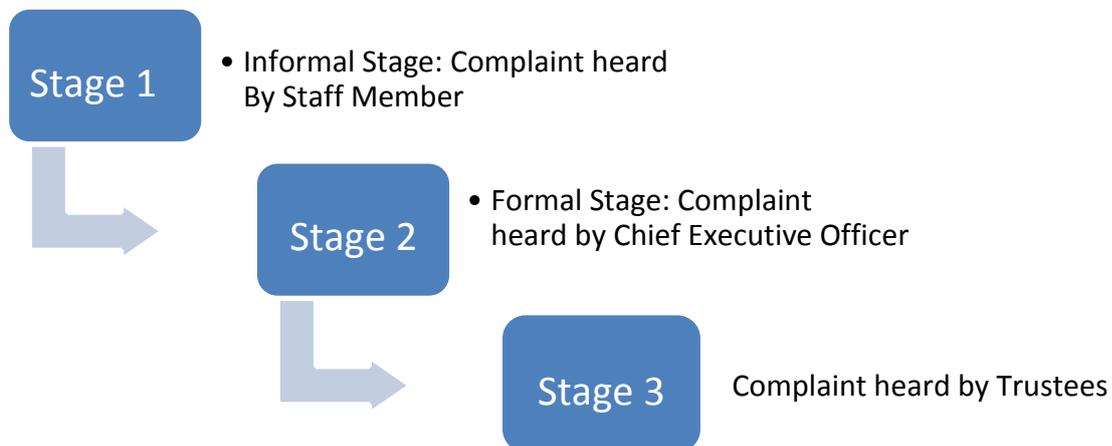

The Chair of the Panel needs to ensure that the complainant is notified of the panel's decision, in writing within 7 days. The letter needs to explain if there are any further rights of appeal and, if so, to whom they need to be addressed. The Headteacher or Chief Executive Officer and where relevant, the person complained about will also be notified of the panel's decision.
