This Week's Highlights

Year 1 classes had a great visit to Newquay Zoo. They were learning about different types of animals including reptiles, mammals and amphibians. They attended a workshop called 'Munch, Crunch, what's for lunch'. This involved learning about the different animals at the zoo and what they ate. The children learnt about carnivores, herbivores and omnivores.

The Burrows (Bull Engine Skate Area) St Blazey - We have been informed that it is necessary to remove the existing equipment, due to irreparable safety defects. It is hoped that this will be replaced and Cornwall Council are consulting on the improvements.

Please use the following link to take you to their online questionnaire, where you can have your say regarding the future of the equipment:

My Personal Best Award Winners

This week the teachers saw many of the children showing excellent examples of empathy and fairness, these involved children taking turns, including others in games, playing with new friends and letting others share classroom jobs.

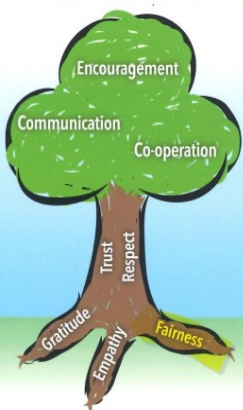

Special mention goes to Fraya in Kingfishers. Whenever a pupil is lonely, injured, sad or upset Fraya shows empathy, asking if they are feeling ok, she holds their hands, rubs their backs and stays with them until they are happy again.

This weeks Sporting Achievements, We congratulate both Archie and Kian who received medals for playing football for their local team Biscovey Youths.

Kian also received a certificate for taking part in various activities at Par Track.

Congratulations to this weeks Star Achievers

"Fairness does not mean everyone gets the same. Fairness means everyone gets what they need."

Rick Riordan

I am developing **FAIRNESS**

When I am fair I...

- Don't judge people before I get to know them
- Treat people equally... but also
- Recognise that people have different needs
- Find ways to include everyone
- Base my decisions on facts not feelings
