1) School Improvement Plan (SIP) The School Improvement Plan is now complete following discussion with all stakeholders. This has been shared via the school newsletter and an interactive display (with links via QR Codes) has been created in the Reception Area of the school. Our School Improvement Priorities are: Improving the percentage (%) of children reaching the expected standard in all 3 of the assessed subjects (Reading, Writing, Maths). Focus on ensuring that children develop basic skills, especially Reading, as this underpins the whole Curriculum and promotes lifelong learning. Ensuring all children are mentally healthy (Wellbeing). Inspiring children, through providing a variety of opportunities, to have high aspirations. Whole school attendance and that of individual children to be above the national expectation of 96%. Engaging parents through social media and to support their child's learning.
