MESSAGE FROM THE HEADTEACHER

DATE 7th April 2021

Dear Parents/Carers

Happy "Express Yourself" Friday everyone. Today the children have come into school wearing clothing which represents them as individuals.

Needless to say, there is great excitement throughout the school. I am really appreciative of the support you give us by sending your children so beautifully turned out in their Burnside School Uniform however, it's amazing seeing them in clothes today, which tell us more about them as individuals

Jane Ramsay
Headteacher

Last Friday was also great fun as the children wore clothes that they would wear to work in their future careers. We had everything from Actors to Zoo keepers. I have sent a photo collage via e schools to give you a flavour of the day.

Outdoor Learning Space

I would like to say thank you for all the support we have received for our future plans. Miss Lloyd has made detailed sketches for the layout and we are looking forward to getting started.

The idea is that each class will have allocated time in the outdoor learning space. Lessons will be carried out in the space using the environment to support learning. Lessons such as maths and literacy etc. will be delivered in the space and the same objectives that we use to guide our teaching indoors will be applied. Children will be covering the same curriculum content but in a different and more explorative way.

The children are as excited as us by the idea and I was overwhelmed that one child in Miss Garrett's class put the contents of her piggy bank into an envelope and donated her money to the project! I was overwhelmed by this gesture of kindness and support. Thank you so much.

Car Parking

Could I please request that parent's/ carers park with care and consideration. I receive so many complaints from parents about this as well as from members of the community. Last week I couldn't believe what I saw, as one parent parked directly over the cycle path in order to view her child lining up and going into the school gates. The consequence of this was that those using the cycle pathway had to navigate around the vehicle and the entrance to the school was blocked.

Quote of the Week

Child: "This is the best school I have ever been to."

Teacher: "How many schools have you been to?"

Child: "Just this one."

This is why we love our jobs!

Kind Regards

Jane Ramsay

Headteacher
