Sports Relief

Come and join us next Thursday from 8am on the Golden Mile track for a family run!

Homework

This year, we have simplified the way in which homework is set across the school. This was to try and ensure a consistent approach and to enable us to focus home learning on areas which we felt would have greatest impact on the children's learning and minimum impact on home life. In order for us to review the impact of these changes, we would like some feedback about your child's homework. We would appreciate your time answering a few questions by [clicking here](#) to take part in a short survey. It should take no longer than 5 minutes. The survey will be available until Monday 26th March.

Parent's Evening

If you have returned a parent's evening slip, you should by now have received a slip back confirming the time of your appointment. Parent's evening is taking place on Monday 19th and Wednesday 21st March. If you have not yet booked a slot, please speak to your child's teacher, send a note in with your child or email Mr Broad at dbroad@ladysmithfederation.net.

Library

We will soon be needing new books for our school library. If you have any books suitable for our children, we would welcome any donations. Books must be in excellent condition. We are also in urgent need of volunteers to supervise the library before school between 8.45am and 9.15am and after school from 3.30pm until approx. 4pm. If you are able to give any time, please see either Mr Broad or Mrs Brown.

Dressing up Clothes

Thank you to everyone who has kindly donated dressing up clothes. Amelie in year 5 has donated some resources but other donations have been anonymous – if you have donated some, let Mr Broad know so that you can be publically thanked! We would also welcome donations of any blankets and small world toys, such as toy cars and action figures. Please drop donations to the school office.

Sleepeasy

Last weekend, on the night of Saturday 10th March, the YMCA held a sponsored 'Sleepeasy' in Barnfield Crescent, where many volunteers spent the night under the stars (or rainclouds!). This was to raise money for and awareness of the difficulties that homeless people face at night time. Mrs Nyeko was involved in

Following the success of the CALMER MINDS family workshops at Exeter Phoenix they will be running another set after Easter. These CALM and HAPPY family workshops will teach children and families how to hold on to the good stuff, become more resilient and develop a toolkit to help them through their tricky times. There will be practical support for children who often feel down or find life a challenge.

Mr Williams is running the London Marathon!

On April 22nd, I will be running the London Marathon to raise money for Cancer Research UK. A charity which supports those with cancer and their families, which affects so many of us.

I am aiming to raise £5000 pounds with my best friend for this wonderful charity and we would be really grateful for any sponsorship you may wish to give.

For every £5 sponsored, you will be entered into a raffle with the grand prizes of a signed Exeter Chiefs rugby jersey, a signed England rugby ball and a signed Wales Rugby Jersey with smaller prizes ranging from beer crates to wine and chocolate.

If you would like to donate to this wonderful charity, I would be really grateful.

You can either visit our just giving page at:
