Junior School News

Friday 28th June 2019 (delayed)

Apologies!

Apologies for the delayed newsletter—last week was extraordinarily busy! With sports days, trips, tournaments and a family assembly, there is plenty to celebrate! Look out for this week's newsletter for pictures and to hear how the children got on.

Meanwhile, read below to see details of the upcoming colour run event and other dates for the diary.

Clip 'n' Climb

The Clip and climb event was a sell out success raising £190 towards new trees for the Junior school grounds!

Colour Run and End of Term PARTY!

Sponsored by The Exeter.

Two weeks to go until our fabulous Colour Run! Our fun run with a difference takes place on the Junior field after school on Friday 12th July.

As you run around the course, our volunteers will shower you with water and paint powder, leaving you looking extremely colourful by the end - and, if last year is anything to go by, with huge smiles on your faces!

This can be messy but the paint is harmless and washes off easily. Wear old clothes (white shows the colours the best) and sunglasses or goggles so that the powder doesn't get in your eyes.

Have lots of fun and raise money for our schools in the process! We'll be selling tickets in the playgrounds next week on Monday and Tuesday at the Infants, and Wednesday and Thursday at the Juniors. Or buy online at <http://www.tinyurl.com/lscolour>

Alongside the run, there is free entry to our End of Term Party with lots of summer fair stalls and games.

www.facebook.com/LadysmithSchoolsPtfa

(N.B: Tickets are required for the run only; entry to the summer fair is free.)

Improve School Meals

We would like your views on school dinners.

We would appreciate it if you could complete [this online survey](#) about our current school meal provision. It should take no more than 2-3 minutes.
