Forest School

We will be taking the children up to forest school, next week, weather permitting. We have some wellies in school but if you want to send your child in with their own wellies or have any that they have grown out of and are able to donate we would really appreciate it.

How you can help.

At school: When you hang up belongings please remember to take your child's shoes off and put in their peg pocket. Take your child into the loft room in the mornings and change their book.

Make sure you select the lunch time option for your child by putting their name in the correct column on the board.

Before you leave, find an activity with your child and settle them in to it before you say goodbye

At home: Make sure that all of your child's belongings, water bottles, packed lunch bag (on the outside so we can easily see it) coat, jumper etc. are named. Encourage them to put on their shoes and coat by them self.

Please make sure water bottles are reusable and not single use, as a school we are really trying to minimise our impact on the environment.

If you have any spare nursery clothes please could they be washed and returned.

Thank you.
