RE: Rules in school.

Rules are important because they keep us safe and they create an environment which is calm and has order.

We have rules in school, at home and in the world outside.
Children and grown-ups need to follow rules.

As our world has changed because of the virus, we have had to follow some new rules to help keep everyone safe. Some of these rules have to be followed in school too!

Task: Make a poster!

Make a list of the rules we should follow in school. (draw some pictures too!)

What new rules do we have to follow now that we did not have to follow before?

What rules will we need in school?

RE: Make a poster! Draw and make a list of the rules we should follow in school.
