Maths - Subtraction.

Lay the number cards face down (numbers 1 to 9), pick up 4 different examples use the numbers to create 2 two digit numbers. Take the smallest number away from the largest number using the column method and tens and ones. For example, I picked up cards with the numbers 4, 6, 3 and 2. My problem: $46 - 32 = ?$ 46 goes first/at the start of the number sentence because it is the biggest number.

RE: Bringing peace to our world.

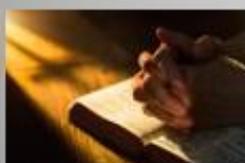

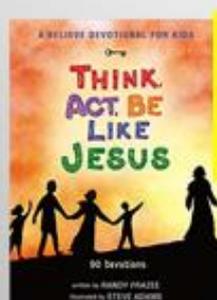

At the end of Mass the priest tells us to "Go out in peace."

How can we live out the words "Go in peace"?

Decorate the peace sign with words and pictures of ways we can show peace in our world.

What can you do and say? How can you behave with others?

How can we live out the words "go in peace"

Wellbeing: Box of positivity.

Another way to deal with your worries is to remind yourself of the positive and good things in life. A way to reassure yourself and make yourself feel better is to hear and talk about the good, positive things in the world and to talk about and recognise the good things about you!

Using a shoe box, cardboard box, plastic box or container, make your own box of positivity. Decorate and fill this 'box of positivity' with positive notes/comments or affirmations that can make you and others feel better during difficult times.

Examples of positive comments/affirmations:

There is no one better to be than myself.

I am enough.

I get better every single day.

I am an amazing person.

All of my problems have solutions.

Today I am a leader.

I forgive myself for my mistakes.

My challenges help me grow.

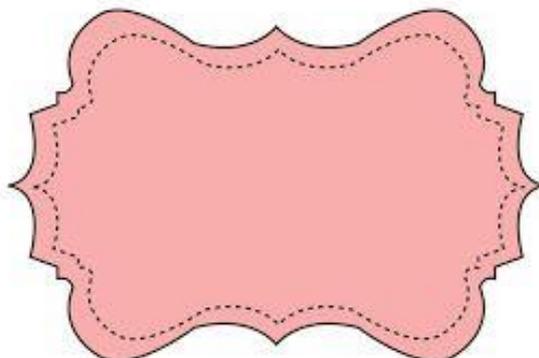

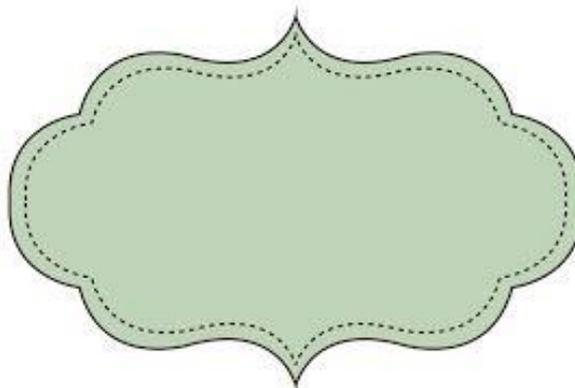

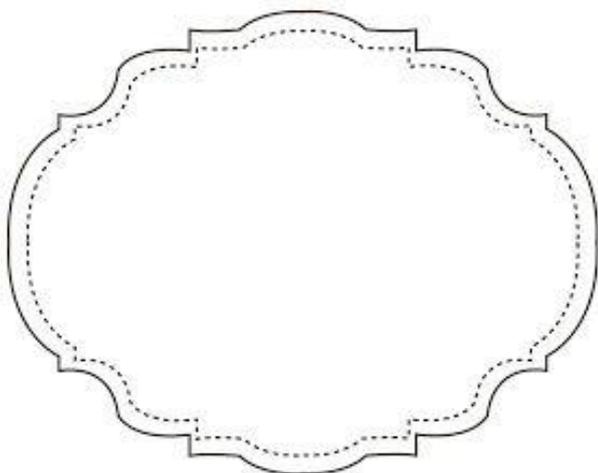

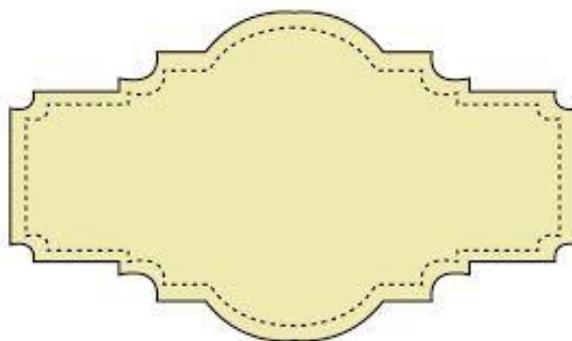

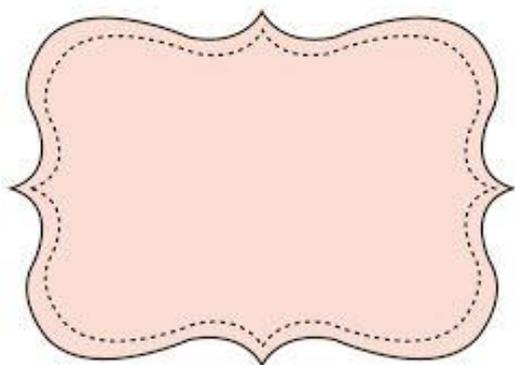

I choose my own attitude.

I'm choosing to have an amazing day.

Wellbeing: Box of positivity.

Write positive comments/affirmations on the labels below.

Finish the sentence 'I am....' and describe what you are like, what you are good at, what you are proud of and what you are thankful for.

Literacy - Exclamation sentences.

Read the story of Little Red Riding Hood and highlight/identify the exclamation sentences.

Little Red Riding Hood lived in a wood with her mother. One day Little Red Riding Hood went to visit her granny. She had a nice cake in her basket.

On her way Little Red Riding Hood met a wolf.

'Hello!' said the wolf. 'Where are you going?'

'I'm going to see my grandmother. She lives in a house behind those trees.'

The wolf ran to Granny's house and ate Granny up. He got into Granny's bed. A little later, Little Red Riding Hood reached the house. She looked at the wolf.

'Granny, what big eyes you have!'

'All the better to see you with!' said the wolf.

'Granny, what big ears you have!'

'All the better to hear you with!' said the wolf.

'Granny, what a big nose you have!'

'All the better to smell you with!' said the wolf.

'Granny, what big teeth you have!'

'All the better to eat you with!' shouted the wolf.

A woodcutter was in the wood. He heard a loud scream and ran to the house.

The woodcutter hit the wolf over the head. The wolf opened his mouth wide and shouted and Granny jumped out.

The wolf ran away and Little Red Riding Hood never saw the wolf again.

Pretend you are Little Red Riding Hood, what other exclamation sentences could you say in this situation?

1. What _____!
2. How _____!
3. What _____!
4. How _____!
5. _____!
