

# Year 2 Home Learning Pack.

(9.7.20)

## Home tuck shop.

You have a **£1 daily budget** to spend on snacks. What will you buy? What combinations could you get? Remember £1 is 100p!

Use your knowledge of money and coins to work out what snacks you could get.

This is a great way to recognise different coins, calculate addition and subtraction of numbers and money, make totals and manage your money.

It could also promote healthy eating habits too!

### Snack selection:

<u>Snack</u>	<u>Price per 1 item</u>
Fruit 	10p
Toast 	15p
Yogurt 	20p
Cucumber slices 	5p
Carrot slices 	10p
Cereal bar 	30p
Biscuit 	25p
Sweets 	50p
Popcorn 	30p
Crisps 	40p
Juice 	50p

1. What is the most expensive food and what is the cheapest food?

Most expensive:

Cheapest:

2. How many pieces of fruit could you get for £1?

3. How many pieces of biscuits could you get for £1?

4. How many pieces of cucumber slices could you get for £1?

5. How many glasses of juice could you get for £1?

6. I only had £1. I spent 40p on crisps and 20p on a yogurt. How much change do I have?

7. I only had £1. I spent 30p on popcorn. How much change do I have?

8. I only had £1. I spent 25p on biscuits. How much change did I get?

9. I only had £1. I spent 10p on fruit and 30p on a cereal bar. How much change did I get?

10. I only had £1. I spent 50p on juice. How many pieces of fruit can I get?

11. What would you get if you had £1?

How many different combinations can you make?

For example:

1. 1 crisps, 1 cucumber slice, 1 packet of sweets = £1

$$40p + 10p + 50p = £1$$

2. 2 glasses of juice = £1

$$50p + 50p = £1$$

## Reading: Comprehension.

# Hunters of Hope

A girl accidentally drops a bar of chocolate down the side of her bed, next to the wall. She heaves the bed to one side and realises that there's a long, low cupboard door behind it, and when she opens the door, she can see a torch-lit stone passage, leading downward towards an underground river. Floating on the river is a small red rowing boat, with her name painted on the side.

## Reading: Comprehension.

Read the story called 'Hunter's of Hope' and clarify/define the magpie words below using a dictionary or online dictionary.

### Clarify:

1. What does 'accidentally' mean?

---

---

2. What does 'heaves' mean? Why do you think this word is used?

---

---

3. What does 'realises' mean?

---

---

4. What does 'passage' mean? What other word could be used here?

---

---

5. What does the word 'leading' mean? What other word could be used here?

---

---

**The Hope Hunters - list of things you would need to take with you.**

*Pretend you are a Hope Hunter who is going on a long, dangerous journey to find something you really desire and wish for. Draw what you would need to take with you in the suitcase below before making a list of the items using commas!*

Commas are used to separate words in a list. Commas cannot come before or after the word; 'and'.  
Commas are used instead of writing 'and' too many times! Commas sit on the line.

**I would need:**

---

---

---

---

## Science: Suitability game.

Find 3 different objects in your home and describe them. Name what materials they are made from and list their properties. Challenge: can you explain why they are made from this material? Why are they good at the job they do? One has been done for you.

<u>Object found.</u>	<u>Materials they are made from.</u>	<u>Their properties.</u>	<u>Why they are made from these materials.</u>
Window 	Glass Plastic frame	Transparent, durable, rigid	People can see through them and they let light through. They last a long time and keep the weather out and keep the warm in.

## RE: Rules.

You are created by God, to be like God. God has rules to help us live well with ourselves and each other. We should follow in God's and Jesus' footsteps and learn from them.

Describe what you can do to show you follow God's rules.

**Challenge:** Why is it important to follow the rules?

I follow God's rules when I \_\_\_\_\_
