

Information for parents/carers

- ◆ Each time your child walks to school in December, they will get a sticker, stamp or signature on their Journey to Lapland logbook, representing 200 miles on the journey from Plymouth to Lapland, two stamps if they cycle or scoot.
- ◆ If they complete all 12 stops before the Christmas holidays, they will receive a certificate and be entered into a prize draw.
- ◆ Their completed logbooks need to be handed to their teacher by the end of term and prizes will be awarded in January 2018
- ◆ We are not able to award certificates or prizes for complete logbooks handed in after the Christmas holidays

Winter riding tips:

Cycling or scooting is a great way to get some exercise in the winter, but it's important to stay safe too. Make sure bikes and scooters are in good working order, especially the brakes. Wear the right gear - waterproof jacket and gloves are essential, and a helmet if you have one. Be safe, be seen - wear bright colours, reflective clothing and use lights to be as visible as possible.
