

Our first full week of the summer term has been great fun. New topics have been started and the children are finding time to enjoy the fantastic outdoor spaces that we have at our school. Hopefully we will have plenty of sunny days, like we did last year, so don't forget to apply suncream to your child before the start of the school day and send them in with a hat and drinks bottle. We were visited by lifeguards from the RNLI this week and they demonstrated how they can stay safe at the beach this summer. Go to RNLI.org to see the safety tips that they have shared with the children.

Our collection of used batteries is increasing daily. If you still have some at home please send them in quickly so that they can be counted before the competition deadline.

Have a great bank holiday weekend.

Regards

Mr Gynn

Well done to the Y3 & Y4 footballers that attended today's St Austell School's Tournament at Nanphysick.
