

## November and December

### **Inset week**

A warm welcome back to school after the extended half term break. We hope that you managed to make the most of the holiday and were able to take advantage of the extra week. We have already had enquiries as to whether or not we will do the same next year from parents that would like to book their holidays early. A decision will be made before the end of this term and we would appreciate any feedback (positive or negative) so that we can take as many views as possible into account. We understand that whatever decision we make it will not suit everyone, however we can assure you that we will take on board all points and base our final decision on what is best for the teaching and learning of the children in the school.

### **Parent Consultations**

On the reverse of this newsletter we have included as many of the events that are taking place in the run up to Christmas. Parent consultations take place on **Wednesday 5th December** from 8:30am until 6pm. Bookings can be made through parents' eSchools account (reception children whose parents do not already have a login and any new children who haven't received a login yet will receive their log ins with today's newsletter ). The bookings will open via eSchools on Monday 12th November at 7pm. Please contact Miss Soper in the office if you have any difficulties in doing this.

### **Children in Need**

Next Friday we are raising money for Children in Need. Children have asked if they can come in non school uniform for the day and give a donation of any amount to the charity. We will also create the traditional giant Pudsey from any loose change. So please bring in any 'coppers' that you have lying around.

Mr. Gynn

Well done to Sea Turtles Class this week who achieved the highest attendance with 98.1%

## Heligan Doves

'The Tool Shed' within the Melon Yard is the home of the origami doves that some of the children made to commemorate those that lost their lives in WWI.

They will be on display at Heligan from 9<sup>th</sup> – 25<sup>th</sup> November, if children and parents want to have a look and it is free to go this Sunday 11th all day.

## Autumn Diary Dates
