

A very windy week has ended with lots of fun and hilarious jokes!

Many thanks for your kind donations to support Comic Relief/Red Nose Day we have raised almost £100 and we hope you enjoy the best of side splitting puns below.

On Tuesday 26th March we look forward to supporting our Y5 & Y6 footballers playing in the Semi Final of the St Austell District Schools Cup at St Mewan. It never ceases to astound me how we do so well in these tournaments as a smaller school. We have knocked out Bugle and Bishop Bronescombe Schools on this cup run, both significantly bigger schools than us, and to put this into context will now compete against a school that has almost as many Y5 & 6 children to pick players from than we have in our whole school! A big well done to the boys and girls in the football team, Mr Maggs and Mr Ringrose and good luck!

If you are a parent/carer of a reception age child please don't forget to book your parent consultations with Mrs Hoare and Miss Bailey. This can be done through eSchools and takes place on Wednesday 27th March. Children in year groups 1 to 6 will have written reports at the end of this term which the teachers are currently busy writing. Please let Miss Soper know if any additional reports need to be posted to parents/carers.

Every Thursday morning Little Nippers host a 'Stay & Play' toddler group in the hall. All are welcome to attend. Further information can be obtained from calling the pre school direct 01726 843340.

Finally, Cornwall Council are currently consulting on increasing parking restrictions on School Hill. You can see the consultation and voice your opinion at cornwall.gov.uk in the 'transport and streets' section.

Have a fun(ny) weekend

Regards

Mr Gynn
