

Windy Weather

We have been lucky not to have been blown away with all the windy weather that we have been having this last week. It has definitely got colder too, so please make sure your child has the correct uniform and of course a coat with them to put on during play and lunchtimes.

Visitor

After last week's visiting author we had another special visitor this week to see the children learning and look at their writing books. They were most impressed, particularly with the learning environments, the children's behaviour and with all the hard work that they are putting in to become great writers.

Verse Speaking

Children from Mr. Chown's after school verse speaking club this week have competed at the St Austell Festival of Music & Speech. Everyone did themselves and the school proud with some even receiving placings in the top 3. Well done Maddie, Esme, Austin, Freya, Liberty and Maisie J.

Children in Need

Many thanks for all your donations to Children in Need; we ended up with a final amount of £270!

Mr. Gynn

There seems to be a growing number of children without their PE kit in class. For this reason, we would like to increase the amount of spare PE clothes we have in school to lend to these children so they don't miss out on their weekly PE lessons. We currently have very little spare kit, especially shoes. For health and safety reasons, children cannot take part in any PE activities without the correct clothes and footwear.

If any parents have any old child's PE shorts, t shirts or trainers/plimsolls that they would be willing to donate to the school, we would be really grateful. We are sure there are many children who have clothes and shoes that are still in a wearable condition but they have simply grown out of them. Please hand any such items into the school office if and when you have any. Thank you!

Mrs. Constantine

Emergency School Closure

Now that we are officially in the winter months we would like to clarify the school's emergency closure procedure.

In the event of snow or extremely bad weather, we will text out to all parents any closure news. It will also be posted on our website and announced on Radio Cornwall/Pirate FM.

If we take the decision to close the school during the school day, you do not need to contact us before collecting your child as this would only overload the telephone lines. Please rest assured we will NOT close the school until all children have been collected.

Our recent 'Design a front cover for your favourite book' competition proved very successful! We received many entries and it was really difficult choosing the best ones. After much deliberation, the winning designers were picked: Hollie, Caera, Sophie, Arthur & Martha

Missing School Shoes

A pair of boy's Clarke shoes have been missing since our home football match with St Mewan School last week. Please could you check that your child has not accidentally placed them in their school/pe bag or taken them home by mistake.

If you do find them please return them to the office or Mrs. Rees/Mrs. Martin in Seals Class.

Many thanks
